Date Mailed: November 16, 2016
MAHS Docket No.: 16-006628
Agency No.: [REDACTED]
Petitioner: OIG
Respondent: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

**HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on [REDACTED] from Detroit, Michigan. The Department was represented by [REDACTED] of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits and, as such, allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. On the Assistance Application signed by Respondent on [REDACTED], Respondent reported that she intended to stay in Michigan. Exhibit A, pp. 9-41.
5. Respondent was aware of the responsibility to report changes in her residence to the Department.
6. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
7. Respondent began using FAP benefits outside of the State of Michigan beginning on [REDACTED]. Exhibit A, p. 50.
8. The OIG indicates that the time period they are considering the fraud period is [REDACTED], (fraud period).
9. During the alleged fraud period, Respondent was issued \$ [REDACTED] in FAP benefits from the State of Michigan.
10. During the alleged fraud period, Respondent was issued benefits from the State of [REDACTED] from [REDACTED], through [REDACTED].
11. This was Respondent's **second** alleged IPV.
12. A Notice of Hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The

Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 6; BAM 720, May 2014.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department presented verification from the State of [REDACTED] via email from the [REDACTED] Inquiries Department, dated [REDACTED], which confirmed that the Respondent received FAP benefits in [REDACTED] from [REDACTED], [REDACTED] Exhibit A, p. 61. The Department also established that the Respondent was issued FAP benefits for the same time period from the State of Michigan based upon the FAP benefit Issuance Summary. Exhibit A, p. 50. BEM 222 provides: **Concurrent receipt of benefits** means assistance received from **multiple** programs to cover a person's needs for the same time period. BEM 222 (July 1, 2013), p. 1. A person **cannot** receive FAP in more than one state for any month. Based upon the evidence presented, it is determined that the Respondent did receive concurrent FAP benefits from both the State of Michigan and the State of [REDACTED] and thus, has established that the Respondent did commit an IPV for receipt of concurrent benefits.

Disqualification

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA or FAP. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 13.

In this case, the Department has established by clear and convincing evidence that the Respondent did receive FAP benefits concurrently from both Michigan and [REDACTED] and thus, is entitled to a finding that the Respondent committed an IPV and did receive concurrently FAP benefits, and is thus, entitled to a finding of disqualification for a **ten-year period**.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700 (May 2014), p. 1. The amount of the overissuance OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (May 2014), p. 6; BAM 705, (May 2014) p. 6.

In this case, the Department's evidence demonstrated that the Respondent received concurrent benefits from Michigan and ██████████ during the period ██████████ ██████████, and is entitled to recover the full amount of FAP benefits issued to the Respondent in the amount of \$ ██████████ during the period based upon the FAP Benefit Issuance Summary. Exhibit A, pp. 58-59.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of FAP benefits in the amount of \$ ██████████

”
The Department is ORDERED to initiate recoupment/**collection** procedures for the amount of \$ ██████████ in accordance with Department policy.

It is FURTHER ORDERED that Respondent be personally disqualified from participation in the FAP program for **10 years**.
