ADMINISTRATIVE LAW JUDGE: Vicki Armstrong

HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on November 10, 2016, from Lansing, Michigan.

The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). [REDACTED] testified on behalf of the Department. The Department submitted [REDACTED] exhibits which were admitted.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance of Food Assistance Program benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation?
3. Should Respondent be disqualified from receiving Food Assistance Program benefits for 10-years?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's Office of Inspector General filed a hearing request on February 24, 2016, to establish an overissuance of benefits received by Respondent as a result of Respondent having allegedly committed an Intentional Program Violation.
2. The Office of Inspector General has requested that Respondent be disqualified from receiving Food Assistance Program benefits for 10-years.
3. On October 21, 2014 and July 20, 2015, Respondent applied for Food Assistance Program benefits and listed a [REDACTED], address as his residence. [Dept. Exh. 13-69].
4. Respondent was aware of the responsibility to report changes in his residence to the Department. [Resp. Exh. 22-23, 52-53].
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. [Dept. Exh. 17, 46].
6. Respondent used his Michigan FAP benefits exclusively in [REDACTED] from November 21, 2014 through November 24, 2015, without informing the Department that he was not living in Michigan. [Dept. Exh. 70-75].
7. On October 13, 2015, the Department received information from the Department of Human Services in the [REDACTED] that indicated Respondent received FAP benefits from [REDACTED] beginning October 1, 2014 through November 30, 2015. [Resp. Exh. 1, 4].
8. The OIG indicates that the time periods they are considering the fraud periods are March 1, 2013 through August 31, 2013 and October 1, 2014 through November 30, 2014.
9. During the alleged fraud period, Respondent was issued a total of [REDACTED] in FAP benefits from the State of Michigan.
10. A notice of hearing was mailed to Respondent at the last known address in [REDACTED] [REDACTED] and was not returned.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services

Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee. BAM 720, p 12-13 (1/1/2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the record evidence clearly shows that Respondent was residing in Georgia and receiving FAP benefits from the [REDACTED] from July, 2014 through December, 2015. Further, the FAP Purchase History clearly shows that Respondent used his Michigan FAP benefits solely in Georgia from November 21, 2014 through November 24, 2015.

The Department has established by clear and convincing evidence that Respondent intentionally withheld and misrepresented information that he was living in Michigan when he applied for FAP benefits for the purpose of establishing and maintaining Michigan FAP benefits. Therefore, the Department has established an Intentional Program Violation.

Disqualification

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. BAM 720, p 15. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 17.

Clients who commit an Intentional Program Violation are disqualified for a standard disqualification period except when a court orders a different period, or except when the overissuance relates to Medicaid or the Food Assistance Program. BAM 720, p 13. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p 18.

In this case, Respondent received concurrent FAP benefits from the state of Michigan and [REDACTED] from July, 2014 through December, 2015. Furthermore, the evidence of record shows that Respondent was residing in [REDACTED] while receiving Michigan FAP benefits from March 1, 2013 through August 31, 2013. Because Respondent received concurrent FAP benefits from the states of [REDACTED] and Michigan, Respondent is disqualified from receiving Food Assistance Program benefits for 10-years.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p 1 (1/1/2016).

In this case, Respondent not only received concurrent benefits from the states of [REDACTED] and Michigan, but he also used his Michigan FAP benefits solely in Georgia

from November 21, 2014 through November 24, 2015, without informing the Department that he was not living in Michigan. [Dept. Exh. 70-75].

Respondent's signature on the Food Assistance Program applications dated October 21, 2014 and July 20, 2015, certify that he was aware that fraudulent participation in FAP could result in criminal or civil or administrative claims. Because of Respondent's failure to report that he was living in [REDACTED] and using his Michigan Food Assistance Program benefits solely outside the state of Michigan, he received an overissuance and the Department is entitled to recoup [REDACTED] for the fraud period of March 1, 2013 through August 31, 2013. For Respondent's failure to notify the Department he was receiving concurrent benefits from Michigan and [REDACTED], he received an overissuance of [REDACTED]

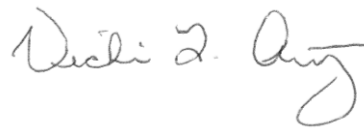

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive a total overissuance of FAP benefits of [REDACTED]

The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be personally disqualified from participation in the FAP program for 10 years.
