HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on November 16, 2016, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated January 26, 2015, the Respondent acknowledged the duty to report all income to the Department in a timely manner. Exhibit A, pp 10-29.

2. Respondent did not have an apparent physical or mental impairment that would limit her understanding or ability to fulfill this requirement.
3. On her January 26, 2015, application for assistance, Respondent reported that her daughter (dob [REDACTED]) had completed school through the 12th grade and did not report that this daughter was currently enrolled in school. Exhibit A, p 14.
4. Respondent received Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from August 1, 2015, through November 30, 2015. Exhibit A, p 30.
5. On December 30, 2015, Respondent reported to the Department on a Redetermination that her daughter (dob [REDACTED]) had moved out of her household. Exhibit A, pp 31-26.
6. Petitioner's daughter (dob [REDACTED]) started employment on May 27, 2015, which continued through November 18, 2015. Exhibit A, pp 37-38.
7. Petitioner's daughter (dob [REDACTED]) received earned income from employment in the gross monthly amounts of \$ [REDACTED] in August of 2015, \$ [REDACTED] in September of 2015, \$ [REDACTED] in October of 2015, and \$ [REDACTED] in November of 2015. Exhibit A, pp 37-38.
8. If the earned income of Respondent's daughter had been reported to the Department, Respondent would have been eligible for Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from August 1, 2015, through November 30, 2015. Exhibit A, pp 39-47.
9. On March 29, 2016, the Department sent the Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 5-8.
10. This was Respondent's first alleged IPV.
11. The Department's OIG filed a hearing request on March 29, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 2.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (January 1, 2016), p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Changes that must be reported to the Department include a group member starting or stopping employment. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2015), pp 1-20.

On an application for assistance dated January 26, 2015, the Respondent acknowledged the duty to report all income to the Department in a timely manner. Respondent did not have an apparent physical or mental impairment that would limit her understanding or ability to fulfill this requirement. On her January 26, 2015, application for assistance, Respondent reported that her daughter had completed school through the 12th grade and did not report that her daughter was currently enrolled in school.

Respondent failed to report that her daughter had started new employment on May 27, 2015. Respondent failed to report that her daughter received earned income in the gross monthly amounts of \$ [REDACTED] in August of 2015, \$ [REDACTED] in September of 2015, \$ [REDACTED] in October of 2015, and \$ [REDACTED] in November of 2015.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount. Changes must be reported within 10 days of receiving the first payment reflecting the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (April 1, 2016), p 11. The Department will act on a change reported by means other than a tape match within 15 workdays after becoming aware of the change, except that the Department will act on a change other than a tape match within 10 days of becoming aware of the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 220 (April 1, 2016), p 7. A pending negative action occurs when a negative action requires timely notice based on the eligibility rules in this item. Timely notice means that the action taken by the department is effective at least 12 calendar days following the date of the department's action. BAM 220, p 12.

If Respondent had reported that her daughter had started employment within 10 days of its start, the Department would have redetermined her eligibility for FAP benefits in a benefit period after June 28, 2015.

Respondent received FAP benefits totaling \$ [REDACTED] from August 1, 2015, through November 30, 2015. If the income received by Respondent's daughter had been used to determine Respondent's FAP eligibility, she would have received FAP benefits totaling \$ [REDACTED] from August 1, 2015, through November 30, 2015. Therefore, Respondent received a \$ [REDACTED] overissuance of FAP benefits.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. [REDACTED], 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that the Respondent intentionally failed to report her daughter's earned income from employment for the purpose of maintaining her eligibility for Food Assistance Program (FAP) benefits that she would not have been eligible for otherwise.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) program benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
