**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION AND
OVERISSUANCE**

Upon the request for a hearing by the Michigan Department of Health and Human Services (MDHHS), this matter is before the undersigned administrative law judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Michigan Department of Health and Human Services (MDHHS) was represented by [REDACTED], regulation agent, with the Office of Inspector General. Respondent did not appear.

ISSUES

The first issue is whether MDHHS established Respondent received an overissuance (OI) of benefits.

The second issue is whether MDHHS established that Respondent committed an intentional program violation (IPV).

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent was an ongoing recipient of Family Independence Program (FIP) benefits from the State of Michigan.
2. Respondent's children's father and living-together partner (LTP) began receiving employment income in [REDACTED]

3. Respondent did not intentionally under-report her LTP's employment income to MDHHS.
4. Respondent received an OI of [REDACTED] in FIP benefits from [REDACTED] [REDACTED] as a result of under-budgeted employment income.
5. On [REDACTED] [REDACTED], MDHHS requested a hearing to establish Respondent committed an IPV and received an OI of [REDACTED] in FIP benefits for the months from [REDACTED].

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. MDHHS (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131. MDHHS policies are contained in the Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), and Reference Tables Manual (RFT).

MDHHS requested a hearing, in part, to establish Respondent received an overissuance of benefits. MDHHS presented an Intentional Program Violation Repayment Agreement (Exhibit 1, pp. 6-7) dated [REDACTED]. The repay agreement (unsigned by Respondent) alleged Respondent received an over-issuance of [REDACTED] in FIP benefits from [REDACTED]. The repayment agreement, along with MDHHS testimony, alleged the OI was based on Respondent's failure to timely report income.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount. BAM 105 (April 2016), p. 11. Changes [in income] must be reported within 10 days of receiving the first payment reflecting the change. *Id.*

MDHHS presented the first page of a Verification of Employment (Exhibit 1, p. 36) concerning Respondent's LTP. A rate of pay of [REDACTED] was stated. Respondent's LTP's work hours were listed as 25 per week.

Notes from Respondent's Michigan Works! Agency case worker (Exhibit 1, pp. 37-39) were presented. It was noted on [REDACTED], and [REDACTED], that Respondent's LTP worked 40 hours per week.

MDHHS presented a Verification of Employment (Exhibit 1, pp. 40-41) concerning Respondent's LTP. The document was signed by a bookkeeper from Respondent's LTP's employer on [REDACTED]. A rate of pay of [REDACTED] was stated. Respondent's LTP's work hours were stated to be 40 per week.

MDHHS presented Respondent's income history with Employer (Exhibit 1, pp. 42-44). Respondent's LTP's gross pays from [REDACTED] were listed.

MDHHS presented a portion of Respondent's FIP benefit issuance history (Exhibit 1, pp. 45-48). The history ranged from [REDACTED].

MDHHS presented FIP benefit over-issuance worksheets (Exhibit 1, pp. 49-70) for the benefit months from the alleged OI period. The worksheets appeared to properly factor Respondent's LTP's actual employment earnings. A total benefit OI of [REDACTED] from the alleged OI was calculated.

Presented evidence established Respondent received an OI of [REDACTED] in FIP benefits during the alleged OI period. The analysis will proceed to determine if Respondent's non-reporting amounted to an IPV.

The Code of Federal Regulations defines an IPV. Intentional program violations shall consist of having intentionally: (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or (2) committed any act that constitutes a violation of the Food Stamp Act, the Food Stamp Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of coupons, authorization cards or reusable documents used as part of an automated benefit delivery system. 7 CFR 273.16 (c).

[An IPV is a] benefit overissuance resulting from the willful withholding of information or other violation of law or regulation by the client or his authorized representative. Bridges Program Glossary (October 2015), p. 36. A suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

BAM 720 (January 2016), p. 1; see also 7 CFR 273(e)(6).

IPV is suspected when there is **clear and convincing** [emphasis added] evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. *Id.* Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01. It is a standard which requires reasonable certainty of the truth; something that is highly probable. Black's Law Dictionary 888 (6th ed. 1990).

MDHHS presented Respondent's handwritten Assistance Application (Exhibit 1, pp. 12-35). Respondent's application signature was dated [REDACTED] (and again on [REDACTED]). The application stated that Respondent's signature was certification that Respondent reviewed and agreed with the application's Information Booklet; the Information Booklet informs clients of various MDHHS policies, including the requirement of reporting changes within 10 days. MDHHS testimony indicated the application was presented solely to show Respondent was aware of reporting requirements.

MDHHS did not present written documentation from Respondent which contradicted known facts. Generally, MDHHS will have difficulty in establishing a clear and convincing purposeful failure to report information when there is not written documentation from a respondent which contradicts known facts. Presented evidence was not persuasive in overcoming the general rule. In fact, presented evidence tended to verify Respondent reported her LTP's employment to MWA (a contractor of MDHHS). A reporting to a contractor should suffice as a reporting to MDHHS.

It is found MDHHS failed to clearly and convincingly establish that Respondent committed an IPV. Accordingly, it is found MDHHS may not proceed with disqualifying Respondent from benefit eligibility.

DECISION AND ORDER

The administrative law judge, based upon the above findings of fact and conclusions of law, finds that MDHHS established that Respondent received [REDACTED] in over-issued FIP benefits from [REDACTED] through [REDACTED]. The MDHHS request to establish an overissuance is **APPROVED**.

The administrative law judge, based upon the above findings of fact and conclusions of law, finds that MDHHS failed to establish that Respondent committed an IPV related to an OI of FIP benefits due to under-reported income for the months from [REDACTED] [REDACTED]. The MDHHS request to establish Respondent committed an IPV is **DENIED**.
