ISSUE

Did the Department of Health and Human Services (Department) properly determine the Petitioner's Food Assistance Program (FAP) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Petitioner is an ongoing Food Assistance Program (FAP) as a group of one and is classified as a senior/disabled/veteran (SDV) recipient.
2. The Petitioner receives monthly income in the gross monthly amount of \$ [REDACTED]
3. On January 14, 2016, the Department received the Petitioner's request for a hearing protesting the amount of Food Assistance Program (FAP) that he is receiving.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department will consider only the medical expenses of SDV persons in the eligible group or SDV persons disqualified for certain reasons. A FAP group is not required to, but may voluntarily report changes during the benefit period. Department of Health and Human Services Bridges Eligibility Manual (BEM) 554 (October 1, 2015), p 8. The Department will apply a deduction for medical expenses that exceed \$35. Department of Health and Human Services Bridges Eligibility Manual (BEM) 556 (July 1, 2013), p 4.

Allowable medical expenses are limited to the following:

- Medical and dental care including psychotherapy and rehabilitation services provided by a licensed practitioner authorized by State law or other qualified health professional.
- Hospitalization or nursing care. Include these expenses for a person who was a group member immediately prior to entering a hospital or nursing home.
- Prescription drugs and the postage for mail-ordered prescriptions.
- Costs of medical supplies, sickroom equipment (including rental) or other prescribed medical equipment (excluding the cost for special diets).
- Over-the-counter medication (including insulin) and other health-related supplies (bandages, sterile gauze, incontinence pads, etc.) when recommended by a licensed health professional.
- Premiums for health and hospitalization policies (excluding the cost of income maintenance type health policies and accident policies, also known as assurances). If the policy covers more than one person, allow a prorated amount for the SDV person(s).
- Medicare premiums.

- Dentures, hearing aids and prosthetics including the cost of securing and maintaining a seeing eye or hearing dog or other assistance animal. (Animal food and veterinary expenses are included.)
- Eyeglasses when prescribed by an ophthalmologist (physician-eye specialist) or optometrist.
- Actual costs of transportation and lodging necessary to secure medical treatment or services. If actual costs cannot be determined for transportation, allow the cents-per-mile amount at the standard mileage rate for a privately owned vehicle in lieu of an available state vehicle. To find the cents-per-mile amount go to the Michigan Department of Management and Budget at www.michigan.gov/dtmb, select Services & Facilities from the left navigation menu, then select Travel. On the travel page, choose Travel Rates and High Cost Cities using the rate for the current year.
- The cost of employing an attendant, homemaker, home health aide, housekeeper, home help provider, or child care provider due to age, infirmity or illness. This cost must include an amount equal to the maximum FAP benefits for one person if the FAP group provides the majority of the attendant's meals. If this attendant care cost could qualify as both a medical expense and a dependent care expense, it must be treated as a medical expense.
- Medical marijuana is not an allowable medical expense. BEM 554, pp 9-11.

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness. The Michigan Administrative Hearing System (MAHS) may grant a hearing for any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits or services are provided.
- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service. Department of Human Services Bridges Administrative Manual (BAM) 600 (October 1, 2015), pp 3-4.

A request for hearing must be in writing and signed by the claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (October 1, 2015), p. 6, provides in relevant part as follows:

The client or authorized hearing representative has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received anywhere in DHS within the 90 days.

The Petitioner is an ongoing FAP recipient as a SDV recipient and a group of one, which entitles him to a deduction for medical expenses incurred that exceed \$35. The Department provided copies of FAP budgets showing that no medical deduction applied for March, April, or August of 2015. The Petitioner provided a copy of a fax receipt showing that on July 6, 2015, he reported medical expenses incurred in June of 2015.

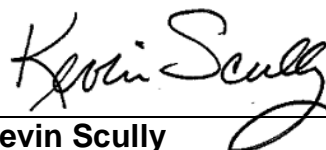

The Department received the Petitioner's request for a hearing on January 14, 2016, and he is entitled to a hearing protesting his current level of FAP benefits. Therefore, the Petitioner has a right to protest the amount of his monthly allotment of FAP benefits through October 1, 2015. While the Department may not have applied the medical expenses he reported on July 6, 2015, so much time has passed since he reported this expense that this Administrative Law Judge no longer has the authority to order the Department to accept this expense. The Petitioner has a duty to provide verification of his medical as they are incurred and he does not have a right to review by the Michigan Administrative Hearing System over his FAP benefits for an unlimited period of time.

This Administrative Law Judge finds that the Petitioner failed to establish that he reported any medical expenses to the Department during the period that the Michigan Administrative Hearing System has jurisdiction over.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined the Petitioner's Food Assistance Program (FAP) eligibility.

Accordingly, the Department's decision is **AFFIRMED**.
