DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge (ALJ) pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon Petitioner's request for a hearing.

After due notice, a telephone hearing was held on [REDACTED]. Petitioner appeared and testified. Allison Pool, Appeals Review Officer, and [REDACTED], Medicaid Utilization Analyst, represented the Respondent, Michigan Department of Health and Human Services, (the Department or MDHHS).

Respondent's Exhibit A pages 1-9 were admitted as evidence without objection.

ISSUE

Did the Department properly deny Petitioner's request for prior authorization (PA) for dentures?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a Medicaid beneficiary, Date of birth [REDACTED].
2. On [REDACTED], Petitioner's dentist sought prior approval authorization for upper denture and partial lower dentures for Petitioner.
3. On [REDACTED], the department denied Petitioner's request.
4. On [REDACTED], the Department sent Petitioner notice that her

request for for the lower partial denture was denied based on Section 6.6A of the Dental Chapter of the Medicaid Provider Manual which indicates that complete or partial dentures are authorized if there are less than eight posterior teeth in occlusion (fixed bridges and dentures are to be considered occluding teeth).

5. Petitioner did not have less than eight (8) posterior teeth in occlusion including her upper denture.
6. On [REDACTED], the Michigan Administrative Hearing System (MAHS) received Petitioner's Request for Hearing. (Respondent's Exhibit A page 4)

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

1.10 PRIOR AUTHORIZATION

Medicaid requires prior authorization (PA) to cover certain services before those services are rendered to the beneficiary. The purpose of PA is to review the medical need for certain services. . . .

Medicaid Provider Manual, (MPM)
Practitioner, April 1, 2014, page 4.

Medicaid Provider Manual 6.6 Prosthodontics (Removable), (January 1, 2015) page 18, General Instructions 6.6.A. states in pertinent part:

Complete and partial dentures are benefits for all beneficiaries. All dentures require prior authorization (PA). Providers must assess the beneficiary's general oral health and provide a five-year prognosis for the prosthesis requested. An upper partial denture PA request must also include the prognosis of six sound teeth.

Complete or partial dentures are authorized when one or more of the following conditions exist:

- One or more teeth are missing

- There are less than eight posterior teeth in occlusion (fixed bridges and dentures are to be considered occluding teeth).
- An existing complete or partial denture cannot be made serviceable through repair, relining, adjustment, or duplicating (rebasin) procedures

At the hearing the Department witness testified that Petitioner's request was denied because she does not have less than eight teeth in occlusion. Petitioner retains teeth #2, 31, 3, 30, 6, 28, 14, and 19. Petitioner has 8 teeth in occlusion.

On review, the Department's decision to deny the request for dentures was reached within policy. The department has established by the necessary competent, material and substantial evidence on the record that it acted in compliance with Department policy when it denied Petitioner's prior authorization request because she has eight teeth in occlusion. This Administrative Law Judge has no equity powers and cannot make a decision in contravention of Department policy.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly denied the Petitioner's request for PA for partial upper dentures.

IT IS THEREFORE ORDERED that:

The Department's decision is **AFFIRMED**.
