**ADMINISTRATIVE LAW JUDGE: Vicki Armstrong**

**HEARING DECISION**

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 42 CFR 431.200 to 431.250; and 45 CFR 205.10. After due notice, a telephone hearing was held on April 19, 2016, from Lansing, Michigan. Petitioner personally appeared and testified. The Department of Health and Human Services (Department) was represented by Hearing Facilitator [REDACTED]

**ISSUE**

Whether the Department properly determined that Petitioner was not disabled for purposes of the State Disability Assistance (SDA) benefit program?

**PROCEDURAL HISTORY**

1. The Department submitted Exhibit A, pages 1-223 without objection. (Dept. Exh. A, pp 1-223).
2. Petitioner submitted Exhibits 1-7 with no objections. (Petitioner Ex. 1-7).

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On July 21, 2015, Petitioner applied for SDA.
2. On December 23, 2015, the Medical Review Team (MRT) denied Petitioner's SDA application. (Dept. Exh. A, pp 4-11).

12. Petitioner's complaints and allegations concerning his impairments and limitations, when considered in light of all objective medical evidence, as well as the record as a whole, reflect an individual who is so impaired as to be incapable of engaging in any substantial gainful activity on a regular and continuing basis.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, was established by 2004 PA 344. The Department administers the SDA program pursuant to 42 CFR 435, MCL 400.10 *et seq.* and Mich Admin Code, Rules 400.3151 – 400.3180. A person is considered disabled for SDA purposes if the person has a physical or mental impairment which meets federal Supplemental Security Income (SSI) disability standards for at least ninety days. Receipt of SSI benefits based on disability or blindness, or the receipt of MA benefits based on disability or blindness, automatically qualifies an individual as disabled for purposes of the SDA program.

Current legislative amendments to the Act delineate eligibility criteria as implemented by department policy set forth in program manuals. 2004 PA 344, Sec. 604, establishes the State Disability Assistance program. It reads in part:

Sec. 604 (1) The department shall operate a state disability assistance program. Except as provided in subsection (3), persons eligible for this program shall include needy citizens of the United States or aliens exempt from the Supplemental Security Income citizenship requirement who are at least 18 years of age or emancipated minors meeting one or more of the following requirements:

(b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Specifically, this Act provides minimal cash assistance to individuals with some type of severe, temporary disability which prevents him or her from engaging in substantial gainful work activity for at least ninety (90) days.

A person is disabled for SDA purposes if he or she:

- Receives other specified disability-related benefits or services, see Other Benefits or Services below, or
- Resides in a qualified Special Living Arrangement facility, or
- Is certified as unable to work due to mental or physical disability for at least 90 days from the onset of the disability.
- Is diagnosed as having Acquired Immunodeficiency Syndrome (AIDS), see Medical Certification of Disability. BEM 261, pp 1-2 (7/1/2014).

"Disability" is:

. . . the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. 20 CFR 416.905. [SDA = 90 day duration].

[As Judge] We are responsible for making the determination or decision about whether you meet the statutory definition of disability. In so doing, we review all of the medical findings and other evidence that support a medical source's statement that you are disabled. 20 CFR 416.927(e).

Petitioner is diagnosed with depression, lumbago, parathesia, degenerative joint disease, bilateral foraminal narrowing, tonic/clonic seizures, high blood pressure, irritable bowel syndrome, gastroesophageal reflux disease, HIV positive with a history of AIDS, migraines and MRSA.

Since 2012, numerous physicians and a psychologist have opined that Petitioner is unable to work based on his physical and mental disabilities. In November, 2015, the Psychologist the Department referred Petitioner too, also opined that Petitioner is unable to work at this time and his prognosis is poor. This is consistent with Petitioner's credible testimony.

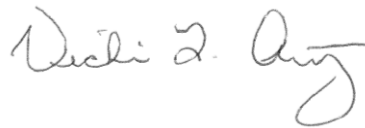

Therefore, based on the credible testimony and medical records submitted at hearing, this Administrative Law Judge finds Claimant was legally disabled for ninety (90) days. As such, the Department's denial of SDA pursuant to Claimant's July 21, 2015 SDA application cannot be upheld.

**DECISION AND ORDER**

Accordingly, the Department's determination is **REVERSED**.

THE DEPARTMENT IS ORDERED TO INITIATE THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. The Department shall process Petitioner's July 21, 2015 SDA application, and shall award him all the benefits he may be entitled to receive, as long as she meets the remaining financial and non-financial eligibility factors.
2. The Department shall review Petitioner's medical condition for improvement in April, 2017, unless his Social Security Administration disability status is approved by that time.
3. The Department shall obtain updated medical evidence from Petitioner's treating physicians, physical therapists, pain clinic notes, etc. regarding his continued treatment, progress and prognosis at review.
