HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on October 25, 2016, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 26, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to truthfully answer questions on the application that would affect his eligibility to receive benefits.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is October 1, 2011, through January 31, 2016 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (1/1/16), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Respondent applied for benefits on March 10, 2011 (Exhibit 1 Page 18). When asked whether he had any convictions for drug-related felonies, he said that he did not (Page 26). He then completed a redetermination on January 25, 2013, (Page 30) and said again that he had not been convicted of any such felonies. In a March 7, 2014, application (Page 38) and a March 4, 2015, application (Page 63) he said again that he had no such felonies. The Department subsequently discovered that he was convicted of drug-related felonies on [REDACTED], (Page 93) and [REDACTED] (Page 94).

If Respondent had responded truthfully to the questions on the applications and redetermination about drug-related felonies, he would not have been provided any benefits. The Department has presented clear and convincing evidence that Respondent provided false information to the Department for the purpose of receiving benefits that he would not have otherwise received. That is an IPV.

Disqualification

A client who is found to have committed a FAP IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (4/1/16), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 17.

In this case, this is Respondent's first FAP IPV. He will be disqualified for 12 months. As a matter of law, Respondent is subject to a lifetime disqualification because he has two or more drug-related felonies after August 22, 1996. This Decision does not alter that lifetime disqualification.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

Although Respondent was not ineligible to receive FAP until his second conviction, which did not occur until [REDACTED], he nonetheless provided false information regarding his eligibility and thereby received benefits he was not eligible to receive. The OI period begins the month after his second conviction.

In this case, Respondent was not eligible to receive any FAP after his second conviction. During the fraud period he was granted \$ [REDACTED] in FAP. That is an OI that is to be recouped.

DECISION AND ORDER

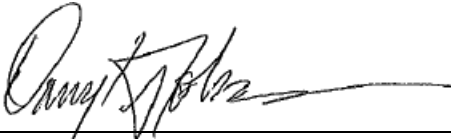

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent received an OI of FAP benefits in the amount of \$ [REDACTED]

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period 12 months. This 12-month disqualification does not affect the lifetime disqualification found in BEM 203.
