ADMINISTRATIVE LAW JUDGE: Vicki Armstrong

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on November 15, 2016, from Lansing, Michigan. Respondent personally appeared and testified.

The Department was represented by [REDACTED] of the Office of Inspector General (OIG). [REDACTED] testified on behalf of the Department. The Department submitted [REDACTED] exhibits which were admitted into evidence. The record was closed at the conclusion of the hearing.

ISSUES

1. Did Respondent receive an overissuance of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation?
3. Should Respondent be disqualified from receiving FAP benefits for one year?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's Office of Inspector General filed a hearing request on May 23, 2016, to establish an overissuance of benefits received by Respondent as a result of Respondent having allegedly committed an Intentional Program Violation.
2. The Office of Inspector General has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report previous drug convictions as evidenced by his checking "no," when asked if he had previous drug convictions on the Redetermination dated September 24, 2014. [Dept. Exh. 10-15].
5. Respondent credibly testified that he had more than two felony drug convictions.
6. Respondent testified that he had a previous injury and suffered from depression. Respondent also stated that he was under the influence of narcotics when he completed the Redetermination.
7. When asked if he had a disability on his September 24, 2014 Redetermination, Respondent wrote "no." [Dept. Exh. 11].
8. Respondent did not have an apparent physical or mental impairment that would limit his understanding or ability to complete the Redetermination accurately and truthfully. [Dept. Exh. 15].
9. On May 31, 2001, Respondent pled guilty to Controlled Substance – Possession (narcotic or Cocaine). [Dept. Exh. 3, 16-17].
10. Respondent pled guilty on April 19, 2004, to Delivery/manufacture (narcotic or Cocaine) Less than 50 grams Attempt. [Dept. Exh. 3, 18-19].
11. The Department's Office of Inspector General indicates that the time period it is considering the fraud period is October 1, 2014 through May 31, 2016. [Dept. Exh. 3].
12. During the fraud period, Respondent was issued ██████████ in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to ██████ in such benefits during this time period. [Dept. Exh. 3].
13. The Department alleges that Respondent received an overissuance in Food Assistance Program benefits in the amount of ██████████. [Dept. Exh. 3, 20-24].

14. This was Respondent's first alleged Intentional Program Violation. [Dept. Exh. 4].
15. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's Office of Inspector General requests Intentional Program Violation hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- Food Assistance Program trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or Food Assistance Program trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the Family Independence Program, State Disability Assistance, Child Development and Care, Medicaid and Food Assistance Program programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous Intentional Program Violation, or
 - the alleged Intentional Program Violation involves Food Assistance Program trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or

- the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016).

Criminal Justice Disqualifications

People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203, p 1 (10/1/2015). An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203, p 2.

In this case, Respondent was convicted of a felony for possession of controlled substances on May 31, 2001 and for manufacture of controlled substances on April 19, 2004.

Intentional Program Violation

Suspected Intentional Program Violation means an overissuance exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An Intentional Program Violation requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, when Respondent was asked if he had previous drug convictions on his September 24, 2014 Redetermination, Respondent checked “no”. Respondent testified that he may have been under the influence of narcotics at the time he completed the Redetermination. Respondent also stated that he suffered from a head injury which caused depression and he was under the care of a psychiatrist. A review of Respondent’s application shows Respondent clearly wrote “no” when asked if he had a disability. Therefore, the Department has established by clear and convincing evidence that Respondent intentionally withheld information for the purpose of maintaining FAP benefits.

Disqualification

A client who is found to have committed an Intentional Program Violation by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 15. Clients are disqualified for ten years for a Food Assistance Program Intentional Program Violation involving concurrent receipt of benefits, and, for all other Intentional Program Violation cases involving Family Independence Program, Food Assistance Program or State Disability Assistance, for standard disqualification periods of one year for the first Intentional Program Violation, two years for the second Intentional Program Violation, and lifetime for the third Intentional Program Violation or conviction of two felonies for the use, possession, or distribution of controlled substances in separate periods if both offenses occurred after August 22, 1996. BEM 203, p 2; BAM 720, p 18. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 17.

In this case, this is Respondent's first IPV. As a result, Respondent will be disqualified from FAP for one year.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).

In this case, Respondent received [REDACTED] in FAP benefits. Because Respondent had two felony drug convictions after August 22, 1996, Respondent was not eligible for FAP benefits. Therefore, Respondent received an overissuance of [REDACTED] for the fraud period of October 1, 2014 through May 31, 2016.

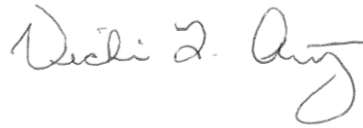

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation.
2. Respondent did receive a FAP overissuance of program benefits in the amount of [REDACTED]

The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program for one year.
