HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on December 15, 2016, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on May 26, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in her criminal justice disqualifications.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is November 1, 2015 to March 31, 2016 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp. 12-13; ASM 165 (May 2013), pp. 1-2.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she failed to notify the Department of her prior drug-felony convictions, which occurred after August 22, 1996.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203 (October 2015), p. 2.

First, the Department presented Respondent's online application dated June 4, 2015, to show that she acknowledged her rights and responsibilities to report changes as required. Exhibit A, pp. 10-37. At the time of the application, Respondent had been convicted of only one drug-related felony and she marked "no" to the question in the application that asked if she had been convicted of a drug felony. Exhibit A, pp. 14 and 38-39.

Second, the evidence presented that Respondent was convicted of a felony on or about [REDACTED], and [REDACTED], for the use, possession, or distribution of controlled substances two or more times after August 22, 1996. See BEM 203, p. 2 and see Exhibit A, pp. 38-41.

Based on the foregoing information and evidence, the Department has failed to establish by clear and convincing evidence that Respondent committed an IPV of FAP benefits. There was no evidence to show that Respondent, during the alleged fraud period, represented that she intentionally withheld both of her drug related felony convictions from the Department. The Department presented Respondent's application (submitted prior the alleged fraud period), drug convictions, and her FAP transaction history. However, this failed to show by clear and convincing evidence that Respondent intentionally withheld her drug related felony convictions during the alleged fraud period for the purpose of maintaining Michigan FAP eligibility. Therefore, in the absence of any clear and convincing evidence that Respondent intentionally withheld or misrepresented her criminal justice disqualification for the purpose of establishing, maintaining, increasing or preventing reduction of her FAP program benefits or eligibility, the Department has failed to establish that Respondent committed an IPV of FAP benefits.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (April 2014), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is not subject to a disqualification under the FAP program. BAM 720, p. 16.

Overissuance

As stated above, there was no IPV committed in this case. However, the Department can still proceed with recoupment of the OI when there is client error.

A client/provider error overissuance is when the client received more benefits than he/she was entitled to because the client/CDC provider gave incorrect or incomplete information to the department. BAM 715 (January 2016), p. 1.

A client error is present in this situation because Respondent failed to notify the Department of her two or more drug-related felonies that would have permanently disqualified her from FAP eligibility. See BEM 203, p. 2. Therefore, Respondent was not eligible for FAP benefits and was overissued FAP benefits for any period she was ineligible to receive FAP benefits.

In establishing the OI amount, the Department presented Respondent's benefit summary inquiry showing that she was issued FAP benefits by the State of Michigan from November 1, 2015 to March 31, 2016, which totaled [REDACTED] Exhibit A, p. 42. Thus, the Department is entitled to recoup [REDACTED] of FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of FAP program benefits in the amount of [REDACTED]

The Department is **ORDERED** to initiate recoupment/collection procedures for the amount of [REDACTED] in accordance with Department policy, less any amount already recouped and/or collected.
