Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on January 24, 2017, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence in accordance with Bridges Administration Manual (BAM) 720 Intentional Program Violation.

ISSUE

Whether Respondent committed an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED] ?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) On May 28, 2014, Respondent signed the affidavit in the Assistance Application (DHS-1171) certifying notice of reporting requirements as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences.
- (2) On April 6, 2015, Respondent signed the affidavit in a Redetermination (DHS-1010) certifying notice of reporting requirements as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences. Respondent was a Food Assistance Program (FAP) benefit group of 1.

- (3) On December 28, 2015, Respondent was arrested and detained in the [REDACTED] County Jail. Respondent was incarcerated until March 19, 2016.
- (4) From January 2, 2016 through March 18, 2016, Respondent's Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) card was used 23 times.
- (5) Respondent had no apparent physical or mental impairment that would limit her understanding or ability to provide true and accurate information or fulfill the reporting requirement.
- (6) Respondent was clearly and correctly instructed regarding the proper and allowed use of Food Assistance Program (FAP) benefits and the Electronic Benefit Transfer (EBT) card.
- (7) Respondent engaged in Food Assistance Program (FAP) trafficking in the amount of \$ [REDACTED].
- (8) This is Respondent's 1st Intentional Program Violation (IPV) of the Food Assistance Program (FAP).

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015.

In this case, the Department has requested a disqualification hearing to establish that Respondent committed an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits.

Bridges Administration Manual (BAM) 720 Intentional Program Violation governs the Department's actions in this case. It provides in relevant part:

DEFINITIONS ALL PROGRAMS Suspected IPV

Suspected IPV means an over-issuance exists for which all three of the following conditions exist:

The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility.

FAP Only

IPV is suspected for a client who is alleged to have trafficked FAP benefits.

IPV

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked.

OVER-ISSUANCE AMOUNT

FAP Trafficking

The OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

The court decision.

The individual's admission.

Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

OIG RESPONSIBILITIES

IPV Hearings

FIP, SDA, CDC, MA and FAP

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as T

Exception: For FAP only, OIG will pursue an IPV hearing when correspondence was sent using first class mail and is returned as undeliverable.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.

INTENTIONAL PROGRAM VIOLATION (IPV) OF TRAFFICKING

The Department has submitted evidence showing that Respondent was receiving Food Assistance Program (FAP) benefits as a benefit group of 1. That means the only person with authorization to use Respondent's EBT, was Respondent. The Department also submitted evidence which shows that Respondent was incarcerated in the ██████████ County Jail from December 28, 2015 until March 19, 2016. Respondent's EBT history shows that her EBT was used 23 times while she was incarcerated. The total amount of the 23 unauthorized transactions is \$ ██████████.

The evidence submitted by the Department constitutes clear and convincing evidence that Respondent intentionally violated the Food Assistance Program (FAP) rules by giving her EBT and Personal Identification Number (PIN) to another person. While there is no specific evidence of what consideration Respondent received in exchange for her Food Assistance Program (FAP) benefits, her actions constitute trafficking. Respondent committed, and intended to commit, an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits in the amount of \$ ██████████.

DISQUALIFICATION

In accordance with 7 CFR §273.16(e)(8)(i), BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV and a lifetime disqualification for the third IPV.

DECISION AND ORDER

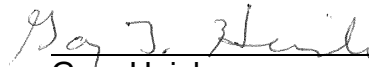

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation by engaging in Food Assistance Program (FAP) trafficking in the amount of \$ ██████████ which the Department is entitled to recoup in accordance with Department policies.

This is Respondent's 1st Food Assistance Program (FAP) Intentional Program Violation (IPV) and the Department must disqualify Respondent from receiving Food Assistance

Program (FAP) benefits in accordance with 7 CFR §273.16(e)(8)(i) and Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHeld.
