HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on January 10, 2017, from Lansing, Michigan.

The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). [REDACTED] testified on behalf of the Department. The Department submitted 21 exhibits which were admitted into evidence.

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5). The record was closed at the conclusion of the hearing.

ISSUES

1. Did Respondent receive an overissuance of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation?
3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's Office of Inspector General filed a hearing request on July 13, 2016, to establish an overissuance of benefits received by Respondent as a result of Respondent having allegedly committed an Intentional Program Violation.
2. The Office of Inspector General has requested that Respondent be disqualified from receiving program benefits for 12 months.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report previous drug convictions as evidenced by his failure to answer the question if he had previous drug convictions on his November 30, 2015, FAP Redetermination. [Dept. Exh. 10-15].
5. Respondent indicated he was disabled on the November 30, 2015 Redetermination, but without more, there is no evidence that Respondent's disability would limit the understanding or ability to fulfill this requirement. [Dept. Exh. 11].
6. On October 17, 1996, Respondent pled guilty to Delivery/manufacture Substance – Possession (narcotic or Cocaine). [Dept. Exh. 16-17].
7. Respondent pled guilty on April 25, 1997 to Possession (narcotic or Cocaine) Less than 25 grams Attempt. [Dept. Exh. 18-20].
8. The Department's Office of Inspector General indicates that the time period it is considering the fraud period is December 1, 2015 through February 29, 2016. [Dept. Exh. 1, 3].
9. During the fraud period, Respondent was issued ██████ in FAP benefits by the State of Michigan, and the Department alleges that Respondent was not entitled to any benefits during this time period. [Dept. Exh. 1, 3].
10. The Department alleges that Respondent received an overissuance in FAP benefits in the amount of ██████ [Dept. Exh. 1, 3].
11. This was Respondent's first alleged Intentional Program Violation. [Dept. Exh. 4].
12. A notice of hearing was mailed to Respondent at the last known address and was returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

As an initial matter, the Notice of Hearing was mailed to Respondent's last known address of 13160 W. Outer Drive, Apt. 209, Detroit, MI 48223-3188 and was returned as undeliverable. For FAP only, the OIG pursues an IPV hearing when correspondence is sent using first class mail and is returned as undeliverable. BAM 720, p 12 (1/1/2016). As a result of the IPV, the Department went forward with the FAP case and properly requested that Respondent be disqualified from participation in the FAP program for 12 months.

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's Office of Inspector General requests Intentional Program Violation hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- Food Assistance Program trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or Food Assistance Program trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the Family Independence Program, State Disability Assistance, Child Development and Care, Medicaid and Food Assistance Program programs combined is \$500 or more, or
 - the total amount is less than \$500, and

- the group has a previous Intentional Program Violation, or
- the alleged Intentional Program Violation involves Food Assistance Program trafficking, or
- the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
- the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016).

Criminal Justice Disqualifications

People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203, p 1 (10/1/2015). An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203, p 2.

In this case, Respondent was convicted of a felony for Delivery/manufacture of controlled substances (narcotic or Cocaine) on October 17, 1996 and for Possession of controlled substances (narcotic or Cocaine) April 25, 1997.

Intentional Program Violation

Suspected Intentional Program Violation means an overissuance exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An Intentional Program Violation requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Respondent failed to report that he had previous drug convictions on his November 30, 2015, FAP application. As evidenced by Respondent failing to report his previous drug convictions, the Department has established by clear and convincing evidence that Respondent intentionally withheld information for the purpose of establishing FAP benefits. This is Petitioner's first Intentional Program Violation.

Disqualification

A client who is found to have committed an Intentional Program Violation by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 15. Clients are disqualified for ten years for a Food Assistance Program Intentional Program Violation involving concurrent receipt of benefits, and, for all other Intentional Program Violation cases involving Family Independence Program, Food Assistance Program or State Disability Assistance, for standard disqualification periods of one year for the first Intentional Program Violation, two years for the second Intentional Program Violation, and lifetime for the third Intentional Program Violation or conviction of two felonies for the use, possession, or distribution of controlled substances in separate periods if both offenses occurred after August 22, 1996. BEM 203, p 2; BAM 720, p 18. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 17.

In this case, the Department has requested a 12 month disqualification. Because Respondent's felony drug convictions occurred after August 22, 1996, Respondent was not eligible for FAP benefits. As a result, Respondent is disqualified from receiving FAP benefits for 12 months.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).

In this case, Respondent received ██████ in FAP benefits. Because Respondent had two felony drug convictions after August 22, 1996, Respondent was not eligible for FAP benefits. Therefore, Respondent received an overissuance of ██████ for the fraud period of December 1, 2015 through February 29, 2016.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation.
2. Respondent did receive a FAP overissuance of program benefits in the amount of ██████

The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program for 12 months.
