HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on February 9, 2017, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Respondent was a Food Assistance Program (FAP) recipient and was receiving a \$ [REDACTED] monthly allotment of benefits based on a gross monthly income of \$ [REDACTED] effective August 27, 2012, through August 31, 2012. Exhibit A, pp 47-53.

2. On January 14, 2013, the Department received a Redetermination (DHS-1010) form where Respondent acknowledged his duty to accurately report changes to his circumstances to the Department. Exhibit A, pp 10-11.
3. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
4. On his January 14, 2013, Redetermination form, Respondent reported that his household income had not changed more than \$ [REDACTED] from the previously reported amount of \$ [REDACTED]. Exhibit A, pp 11.
5. Respondent's report on January 14, 2013, that his income had not increase more than \$ [REDACTED] was false information because he had received a gross monthly income of \$ [REDACTED] in December of 2012. Exhibit A, pp 17-18.
6. Respondent received Food Assistance Program (FAP) benefits as a group of three totaling \$ [REDACTED] from February 1, 2013, through August 31, 2013. Exhibit A, p 46.
7. If Respondent had reported that his income had increased over the gross monthly income for a group of three, which was \$ [REDACTED] during the relevant time period, the Department would have closed his Food Assistance Program (FAP) benefits. Exhibit A, p 45.
8. On July 27, 2016, the Department sent the Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 5-8.
9. This was Respondent's first alleged IPV.
10. The Department's OIG filed a hearing request on July 27, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 2.
11. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a

and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), p 1.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2016), pp 1-20.

Respondent acknowledged his duty to accurately report changes to his circumstances when he submitted a signed Redetermination (DHS-1010) form to the Department on January 14, 2013, where he reported that his income had not changed by more than \$█ from the previously reported amount of \$█. The Department would later discover that this information was false because Respondent had actually received a

gross monthly income of ██████ in December of 2012. If Respondent had reported that his income had increased by more than \$█████ the Department would have closed his FAP benefits because his gross monthly income had risen above the \$█████ limit for a group to receive FAP benefits. Department of Health and Human Services Reference Table Manual (RFT) 260 (October 1, 2012), p 1. Respondent received FAP benefits totaling \$█████ from February 1, 2013, through August 31, 2013, but would not have been eligible for any of those benefits based on the group's gross monthly income if his increase in earned income had been reported to the Department in a timely manner. Therefore, Respondent received a \$█████ overissuance of FAP benefits.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged his duty to report changes to his income to the Department in a timely manner when he signed and submitted a Redetermination (DHS-1010) form to the Department on January 14, 2013. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent reported that his income had not increased when it had increased over the gross monthly limit for a group of three to receive any FAP benefits. This Administrative Law Judge finds that the Department has presented clear and convincing evidence that the Respondent intentionally failed to report that his earned income had increased to the point where he was required to report it, and had increases over the maximum amount allowed for a group of three to receive FAP benefits, for the purpose of maintaining his eligibility for FAP benefits that he would not have eligible to receive otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first alleged IPV violation.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
