The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On November 7, 2016, the Department received Petitioner's application for Food Assistance Program (FAP) benefits. Exhibit A, p 5.
2. On December 1, 2016, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of a checking account. Exhibit A, p 12.
3. On December 6, 2016, the Department notified Petitioner that it had denied her Food Assistance Program (FAP) application. Exhibit A, pp 8-9.
4. January 3, 2016, the Department received Petitioner's request for a hearing protesting the closure of her Food Assistance Program (FAP) benefits. Exhibit A, p 4.

## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2016), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (January 1, 2016), pp 1-9.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (April 1, 2016), pp 1-7.

On November 7, 2016, the Department received Petitioner's application for FAP benefits. On December 1, 2016, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of a checking account that had been previously verified by the Department. When Petitioner did not provide verification of the current balance of that account, or verification that it had been closed, the Department notified her that she was not eligible for FAP benefits.

A request for hearing must be in writing and signed by the claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (October 1, 2015), p. 6, provides in relevant part as follows:

The client or authorized hearing representative has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received anywhere in DHS within the 90 days.

Petitioner testified that she thought her FAP benefits had been closed for failure to return a Semi-Annual Contact (DHS-1046) form, which she disputes. Department records indicate that a Semi-Annual Contact form was sent to her on September 1, 2016, and a Notice of Case Action was sent to her on September 23, 2016. Petitioner is not entitled to a hearing on that action because her request for a hearing was not received within 90 days of the Department sending her notice.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Food Assistance Program (FAP) benefits for failure to provide the Department with information necessary to determine her eligibility to receive benefits.

**DECISION AND ORDER**

Accordingly, the Department's decision is **AFFIRMED**.
