**ADMINISTRATIVE LAW JUDGE:** Gary Heisler

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on March 7, 2017, from Lansing, Michigan. The Department was represented by Regulation Agent [REDACTED] [REDACTED] of the Office of Inspector General (OIG). Respondent did not appear at the hearing. The Notice of Disqualification Hearing (MAHS-827) sent to Respondent was not returned as undeliverable. In accordance with 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5), and Bridges Administration Manual (BAM) 720 the hearing proceeded in Respondent's absence.

**ISSUES**

Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?

Did Respondent receive an over-issuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. On January 29, 2015, Respondent signed the affidavit in a Redetermination (DHS-1010) certifying notice of reporting requirements as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences.

2. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill the reporting requirements.
3. On March 23, 2015, Respondent submitted an application for assistance in Tennessee.
4. On April 8, 2015 Respondent began using their Michigan Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) Card in Tennessee.
5. Respondent committed an Intentional Program Violation (IPV) by intentionally failing to report a change of physical residence to Tennessee and continuing to receive and use Michigan assistance benefits when no longer a physical resident of Michigan and no longer eligible for benefits through Michigan.
6. In accordance with Bridges Administration Manual (BAM) 720 May 1, 2015 to October 31, 2015 has correctly been determined as the over-issuance period associated with this Food Assistance Program (FAP) Intentional Program Violation (IPV). May 1, 2015 to January 31, 2016 has correctly been determined as the over-issuance period associated with this Medical Assistance (MA) Intentional Program Violation (IPV).
7. During the over-issuance period, Respondent received a \$ [REDACTED] Food Assistance Program (FAP) over-issuance and a \$ [REDACTED] Medical Assistance (MA) over-issuance.
8. This is Respondent's 1<sup>st</sup> Intentional Program Violation (IPV).

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3011.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department

of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Bridges Administration Manual (BAM) 720 Intentional Program Violation (10-1-2015) governs the Department's actions in this case. OIG requests IPV hearing for cases involving:

1. FAP trafficking over-issuances that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**

The total amount is less than \$500, **and**

The group has a previous IPV, **or**

The alleged IPV involves FAP trafficking, **or**

The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**

The alleged fraud is committed by a state/government employee.

### **INTENTIONAL PROGRAM VIOLATION**

BAM 720 states that a suspected IPV means an OI exists for which all three of the following conditions exist:

The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. In other words, the Department must show that the Respondent engaged in a fraudulent act or omission which they knew would result in receiving assistance s/he was not eligible for.

In this case, the Department presented a Redetermination (DHS-1010) that Respondent submitted to the Department prior to the alleged over-issuance period. This application is sufficient to establish that Respondent was aware of reporting requirements as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences.

The Department submitted evidence showing that Respondent applied for assistance in Tennessee on March 23, 2015. Respondent committed an Intentional Program Violation (IPV) by intentionally failing to report a change of physical residence to Tennessee and continuing to receive and use Michigan benefits when no longer a physical resident of Michigan and no longer eligible for benefits through Michigan.

### **OVER-ISSUANCE**

#### **Over-issuance Period**

BAM 720 states that the over-issuance period begins the first month (or pay period for CDC) benefit issuance exceeds the amount allowed by policy **or** 72 months (6 years) before the date it was referred to the RS, whichever is later.

To determine the first month of the over-issuance period (for over-issuances 11/97 or later) Bridges allows time for:

The client reporting period, per BAM 105.

The full standard of promptness (SOP) for change processing, per BAM 220.

The full negative action suspense period.

The over-issuance period ends the month (or pay period for CDC) before the benefit is corrected.

7 CFR § 273.16 Disqualification for intentional Program violation

(e) Disqualification Hearings (8) Imposition of disqualification penalties (i) states:

If the hearing authority rules that the individual has committed an intentional Program violation, the household member must be disqualified in accordance with the disqualification periods and procedures in paragraph (b) of this section. The same act of intentional Program violation repeated over a period of time must not be separated so that separate penalties can be imposed.

In this case, the Department submitted evidence showing that Respondent applied for assistance in Tennessee on March 23, 2015. Applying these requirements, the over-issuance period began May 1, 2015.

#### **Over-issuance Amount**

BAM 720 states the over-issuance amount is the benefit amount the client actually received minus the amount the client was actually eligible to receive. The Department presented a benefit summary showing that the State of Michigan issued a total of \$ [REDACTED] in Food Assistance Program benefits and \$ [REDACTED] in Medical Assistance (MA) benefits to Respondent during the over-issuance period. Once Respondent was no

longer a physical resident of Michigan, they were not eligible for any Michigan Food Assistance Program benefits. Respondent received a \$ [REDACTED] over-issuance of Food Assistance Program benefits and a \$ [REDACTED] over-issuance of Medical Assistance (MA) benefits during the over-issuance period.

**DISQUALIFICATION**

In accordance with 7 CFR §273.16(e)(8)(i), BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV, and a lifetime disqualification for the third IPV.

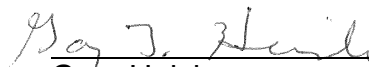

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV) which resulted in a \$ [REDACTED] over-issuance of Food Assistance Program benefits and a \$ [REDACTED] over-issuance of Medical Assistance (MA) benefits that the Department is entitled to recoup in accordance with Department policies in BAM 705, BAM 710, BAM 720, and BAM 725.

This is Respondent's 1<sup>st</sup> Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and the Department must disqualify Respondent from receiving Food Assistance Program (FAP) benefits in accordance with 7 CFR §273.16(e)(8)(i) and Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Health and Human Services, in this matter, are UPHeld.
