ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [redacted], from Detroit, Michigan. The Department was represented by [redacted], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?

2. Should Respondent be disqualified from receiving benefits for Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [redacted], to establish that the Respondent allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.

3. Respondent was not a recipient of FAP benefits issued by the Department.

4. The Department did not establish that Respondent **was** aware of the responsibility to not seek to buy FAP benefits on [redacted] and that trafficking of FAP benefits is unlawful.

5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

6. The Department does not seek an OI in this case.

7. This was Respondent's **first** alleged IPV.

8. A Notice of Hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of $500 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and

- The total amount for the FIP, SDA, CDC, MA and FAP programs combined is $500 or more, or

- the total amount is less than $500, and

  - the group has a previous IPV, or
  - the alleged IPV involves FAP trafficking, or
  - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
  - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), pp. 12-13**.**

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department has attempted to establish that the Respondent committed an IPV due to trafficking FAP benefits based upon her response to a post on [redacted] from [redacted]: "Got $[redacted] on the bridge card who want it?" to which Respondent replied "Me if it's free [redacted] (Exhibit A, p. 10.) The Respondent's post exchange on [redacted] occurred on [redacted].

Trafficking is (i) the buying or selling of FAP benefits for cash or consideration other than eligible food; (ii) selling products purchased with FAP benefits for cash or consideration other than eligible food; and (iii) purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits. BAM 700 (May 2014), pp 2; see also Department of Human Services, Bridges Policy Glossary (BPG) (July 2015), p 66. Trafficking also includes (i) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices, or (ii) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (July 2015), p. 3. The federal regulations define trafficking to include "attempting to buy, sell, steal, or otherwise affect an exchange of [FAP] benefits issued and accessed via Electronic Benefit Transfer (EBT) . . . for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone." 7 CFR 271.2.

The Department acknowledged that Respondent was not an FAP recipient at the time of this exchange and also had not received FAP except as a minor on [redacted] However, the Department has not established by the evidence it produced that the Respondent offered to purchase FAP benefits as her response did not offer to purchase $[redacted] in FAP offered for any amount. She merely replied "Me if it's free". This response can also be taken as a joke by an individual who has no interest in buying someone's FAP benefits. A response like this does not establish by clear and convincing evidence that Respondent attempted to traffic FAP benefits. Accordingly, it is found that Respondent did not commit an IPV concerning FAP.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for an FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As discussed above, the Department has failed to prove by clear and convincing evidence that Respondent committed an IPV. Accordingly, Respondent is not subject to a disqualification from receipt of FAP benefits on the basis of IPV.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
