AMENDED HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

THIS HEARING DECISION IS ONLY BEING AMENDED TO ADDRESS WHETHER OR NOT THE DEPARTMENT ESTABLSHED AN OVER ISSUE AS IT RELATES TO MEDICAL ASSISTANCE BENEFITS AND TO CORRECT THE FAP OI PERIOD IN THE ORDER SECTION FROM THROUGH TO THROUGH TO THE DECISION IS UNCHANGED.

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on November 10, 2016, from Detroit, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

- 1. Did Respondent receive an overissuance (OI) of FAP and MA benefits that the Department is entitled to recoup?
- 2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?

3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. The Department's OIG filed a hearing request on of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
- 2. The OIG has requested that Respondent be disqualified from receiving program benefits.
- 3. Respondent was a recipient of FAP benefits issued by the Department.
- 4. Respondent was aware of the responsibility to report changes in residency.
- 5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department's OIG indicates that the time period it is considering the fraud period is (FAP fraud period).
- 7. During the fraud period, Respondent was issued \$ in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
- 8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ _____.
- 9. The Department's OIG indicates that the time period it is considering the fraud period is (MA fraud period).
- 10. During the fraud period, Respondent was issued \$ in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
- 12. This was Respondent's first alleged IPV.
- 13. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - > the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - > the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

 The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of his FAP benefits because he failed to notify the Department that he no longer resided in Michigan, but continued to receive and use Michigan-issued FAP benefits while out of state. To be eligible for FAP benefits issued by the Department, an individual must be a Michigan resident. BEM 220 (February 2014), p. 1. For FAP purposes, a person is considered a resident while living in Michigan for purpose other than a vacation, even if he has no intent to remain in the State permanently or indefinitely. BEM 220, p. 1. A client who resides outside the State of Michigan for more than 30 days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (February 2014), p. 3.

Additionally the Department provided Petitioner's usage history which demonstrated that Respondent used his Michigan issued FAP benefits exclusively in beginning and continuing until . While this evidence may be sufficient to establish that Respondent may have been overissued benefits, to establish an IPV the Department must present clear and convincing evidence that Respondent intentionally withheld or misrepresented information for the purpose of maintaining benefits.

The Department also presented an application submitted by Respondent on , in which he acknowledged his responsibility to report changes within 10 days. The application was completed one month before the out of state usage began. As such, Respondent could have been a resident of Michigan and simply failed to report his change in residency within 10 days. The Department did not provide any evidence that Respondent reapplied for FAP benefits or that he affirmatively communicated false information to the Department. It is therefore found, that the Department has failed to

establish that Respondent intentionally withheld or misrepresented information for the purpose of maintaining FAP benefits.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720 (October 2015), p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

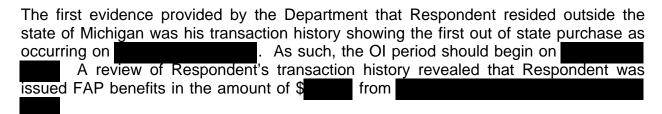

In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is not subject to a 12 month disqualification under the FAP program.

Overissuance

When a client group receives more benefits than they are entitled to re	eceive, the
Department must attempt to recoup the OI. BAM 700, p. 1. At the he	earing, the
Department established that the State of Michigan issued a total of \$	in FAP
benefits to Respondent from	. The
Department alleges that Respondent was eligible for \$0.00 in FAP benefits	during this
period. The Department asserts that the State of Michigan issued a total of \$	in
MA benefits on Respondent's behalf from	
The Department alleges that Respondent was ineligible for MA benefits period.	during this

FAP

The Department is alleging that the OI period should begin on However, under Department policy, the OI period begins the first month (or pay period for CDC) benefit issuance exceeds the amount allowed by policy or 72 months (6 years) before the date the OI was referred to the Recoupment Specialist (RS), whichever is later. BAM 715, p. 4. To determine the first month of the OI period the Department allows time for: the client reporting period; the full standard of promptness (SOP) for change processing; and the full negative action suspense period. BAM 715, pp. 4-5. Based on the above policy, the Department would apply the 10-day client reporting period, the 10-day processing period, and the 12-day negative action suspense period. BAM 715, pp. 4-5.

As discussed above, Respond	ent was no long	er eligible fo	or FAP be	nefits after	she

Department has established it is	entitled to recou	p the \$	in FAP b	enefits it iss	sued

<u>MA</u>

The Department failed to attach the month by month breakdown of the health premium/capitation paid on behalf of Respondent. Instead, the Department only provided a summary of the amounts paid for the alleged OI period. The undersigned needs the specific information as it relates to the premium/capitation paid on behalf of Respondent to determination whether the summary provided is correct. Therefore, it is found that the Department failed to satisfy its burden that Respondent received an OI of MA benefits and is not entitled to recoupment relating to MA benefits issued from

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.
- 2. Respondent did receive an OI of program FAP benefits in the amount of \$ for the period of .
- 3. Respondent did not receive an OI of program MA benefits for the period of

The Department is ORDERED to initiate recoupment procedures for the amount of in accordance with Department policy.

It is FURTHER ORDERED that Respondent is not subject to a disqualification from FAP benefits.

The Department is ORDERED to delete the OI and cease any recoupment action as it relates to MA benefits received from 016.
