Agency No.: Petitioner: OIG

Respondent:

ADMINISTRATIVE LAW JUDGE: Jacquelyn A. McClinton

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on March 9, 2017, from Detroit, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

- 1. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?
- 2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
- 3. Should Respondent be disqualified from receiving FAP benefits for 24 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- The Department's OIG filed a hearing request on August 25, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
- 2. The OIG has not requested that Respondent be disqualified from receiving program benefits.
- 3. Respondent was a recipient of FAP benefits issued by the Department.
- 4. Respondent was aware of the responsibility not to engage in trafficking of FAP benefits.
- 5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department's OIG indicates that the time period it is considering the fraud period is August 21, 2016, through August 23, 2016 (fraud period).
- 7. During the fraud period, Respondent was issued in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to in such benefits during this time period.
- 9. This was Respondent's second alleged IPV.
- 10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - > the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - > the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp.12-13;

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

The Department alleges that Respondent committed an IPV of her FAP benefits because she solicited the sale of her FAP benefits for cash consideration, which the Department deemed to be indicative of trafficking. Trafficking is (i) the buying, selling or stealing of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances; (ii) selling products purchased with FAP benefits for cash or consideration other than eligible food; (iii) purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits; (iv) attempting to buy, sell or steal FAP benefits for cash or consideration other than eligible food. BAM 700 (January 2016), p 2. Trafficking also includes (i) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices, or (ii) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (October 2015), p. 3.

In this case, Respondent signed the Request for Waiver of Disqualification Hearing form. Respondent checked the box which stated as follows:

I do not admit that the facts as presented are correct. However, I have chosen to sign this waiver request and understand that I will be disqualified from the programs shown without a hearing.

Under Department policy, the client/authorized representative (AR) is determined to have committed an IPV by:

- A court decision.
- An administrative hearing decision.
- The client/AR signing a DHS-826, Request for Waiver of Disqualification Hearing, or DHS-830, Disqualification Consent Agreement, or other recoupment and disqualification agreement form.

Given that Respondent signed the Request for Waiver of Disqualification Hearing form, it is found that the Department has established that Respondent committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720 (October 2015), p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods

of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16.

A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, Respondent signed the Request for Waiver of Disqualification Hearing form and agreed to the disqualification. The form informed Respondent that the period of disqualification would be two years. Accordingly, Respondent is subject to a 24-month disqualification under the FAP program.

Overissuance

The amount for trafficking-related IPVs is the value of the trafficked benefits (attempted or actually trafficked) as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

In this case, the Department presented a Facebook post which it testified was posted by Respondent on August 21, 2016. In the Facebook post, Respondent indicated that she was willing to sell in FAP benefits for in cash.

The Department testified that in an interview, Respondent indicated that her Facebook account had possibly been hacked and that while she was aware that her son made purchases, she did not know the extent of the purchases. Respondent failed to appear at the hearing and as such failed to offer any evidence to establish that her Facebook account had been hacked or that anyone other than herself made the offer to sell her FAP benefits in consideration for cash. As such, it is found that the Department has established that Respondent trafficked her FAP benefits and as such, it is entitled to recoup

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
- 2. Respondent did receive an OI of program benefits in the amount of benefits from August 21, 2016 through August 23, 2016

The Department is ORDERED to initiate recoupment/collection procedures for the amount of in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP benefits for a period of 24 months.
