ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report starting of employment and changes in income.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 1, 2015), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or

eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department seeks an IPV due to Respondent's alleged failure to report starting of employment with ██████ in ██████.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount.. Changes must be reported within 10 days of receiving the first payment reflecting the change. BAM 105 (October 1, 2016), p. 12.

Income reporting requirements are limited to the following:

- Earned income:
 - Starting or stopping employment.
 - Changing employers.
 - Change in rate of pay.
 - Change in work hours of more than five hours per week that is expected to continue for more than one month.

BAM 105, p. 12.

The Department presented the following evidence. The Respondent was an ongoing FAP recipient and completed a redetermination on ██████, where she did not report her employment even though employed with ██████ which began based upon the employer's verification on a first pay of ██████. [Exhibit A, p. 43 and p. 34.] Another redetermination was completed by Petitioner on ██████ where the Respondent failed to report her employment even though she was employed. [Exhibit A, p. 40.] A wage verification was received from Respondent's employer reporting a pay history through ██████ and start of employment ██████. Based upon the foregoing redeterminations, the Department has presented evidence that the Petitioner falsely reported that she was not working on several redeterminations that she completed; and it is determined that she made a false statement to the Department because she never reported her employment to the Department.

Based upon the foregoing information and evidence, the Department has established by clear and convincing evidence that Respondent committed an IPV of her FAP benefits. The Department presented sufficient evidence to establish that Respondent intentionally withheld or misrepresented her income during the fraud periods.

Disqualification

A client who is found to have committed a FAP IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 16. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for

the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, as discussed above, the Department has established an IPV and satisfied its burden of showing that Respondent committed an IPV of her FAP benefits. Thus, the Department is entitled to a finding of a disqualification of Respondent from receipt of FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 8.

In this case, the Department presented OI budgets for the periods in question, [REDACTED]. The Department seeks an OI of \$ [REDACTED] due to the Respondent's failure to report starting employment. The FAP OI budgets were examined at the hearing and were determined to be correct. [Exhibit A, p. 48-53.] The budgets included Respondent's income from [REDACTED] that was not previously budgeted because it was not reported by the Respondent and is based upon a wage verification received from the Respondent's employer. [Exhibit A, p. 43-46.] In addition, the Department provided a Benefit Summary Inquiry which established that Petitioner received FAP benefits during the period in question. [Exhibit A, p. 47.] Thus, the Department has established that it is entitled to recoup \$ [REDACTED] for the period [REDACTED].

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits in the amount of \$ [REDACTED] from the following program(s) FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving Food Assistance for a period of **12 months**.
