HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in circumstances as required by Department policy.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 1, 2016), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or

eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of his FAP benefits because he failed to notify the Department that he no longer resided in Michigan but continued to receive and use Michigan-issued FAP benefits while out of state. To be eligible for FAP benefits issued by the Department, an individual must be a Michigan resident. BEM 220 (July 1, 2014), p. 1. A person is considered a resident while living in Michigan for any purpose other than a vacation, even if he has no intent to remain in the state permanently or indefinitely. BEM 220, p. 1. A client who resides outside the State of Michigan for more than 30 days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (October 1, 2015), pp. 2-3.

The Department established that beginning [REDACTED], Respondent used FAP benefits issued to him by the State of Michigan exclusively out of state in [REDACTED] (Exhibit A, p. 42.) While this evidence may be sufficient to establish that Respondent no longer resided in Michigan and was no longer eligible for FAP benefits, to establish an IPV the Department must present clear and convincing evidence that Respondent **intentionally** withheld or misrepresented information for the purpose of maintaining benefits.

The Department did not present any evidence in support of its IPV case against Respondent other than the transaction history showing out-of-state use of Michigan-issued FAP benefits. (Exhibit A, p. 42.) The Department did not present an application, redetermination or other documentation during the period he was using his FAP benefits out of state alleging a Michigan address. The evidence presented fails to establish, by clear and convincing evidence, that Respondent intentionally withheld or misrepresented information concerning his residency for the purpose of establishing Michigan FAP eligibility. Thus, the Department has not established that Respondent committed an IPV concerning his FAP benefits.

The evidence presented was not sufficient to establish, by clear and convincing evidence, that Respondent intentionally withheld or misrepresented his change of address to the Department for the purpose of maintaining her Michigan FAP eligibility. Thus, the Department has failed to establish that Respondent committed an IPV concerning his FAP benefits.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720,

p. 13. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for an FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department failed to satisfy its burden of showing that Respondent committed an FAP IPV. Therefore, Respondent is **not** subject to a disqualification from the FAP program nor is the Department entitled to a finding of disqualification.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8. See BAM 715, client error. In this case, because the client Respondent did not report his change in residence and moving from the State of Michigan, the OI resulted; and thus, Client error is established.

Clients are not eligible for FAP benefits if they do not reside in Michigan. BEM 220, p. 1. At the hearing, the Department presented an FAP transaction history that established that Respondent used Michigan-issued FAP benefits out of state from [REDACTED]. In the absence of any contrary evidence, this evidence established that Respondent did not reside in Michigan and was not eligible for FAP benefits issued by the Department.

The Department presented an FAP benefit summary inquiry to support issuances during the OI period totaling \$ [REDACTED] (Exhibit A, 46.)

Because the Department properly calculated the first month of the OI period to begin [REDACTED] (see BAM 720, p. 7) and established the amount issued during the fraud period, the Department is entitled to recoup or collect \$ [REDACTED] from Respondent for FAP benefits it issued to Respondent between [REDACTED], and [REDACTED]. The Department is required to allow recipients 10 days to report a change in circumstance, 10 days to process the case change and 12 days to establish the negative action period; and thus, the OI begin date for [REDACTED], is correct. BAM 720, p. 7.

Therefore, it is concluded that the Department is entitled to recoup the \$ [REDACTED] OI from Respondent.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent **did** receive an OI of program benefits in the amount of \$ [REDACTED] from the following program(s) Food Assistance.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.
