Respondent: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and FIP Cash Assistance (FIP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP and Family Independence Program (FIP) Cash Assistance?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits for FIP and FAP.
3. Respondent was a recipient of FAP and FIP Cash Assistance benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in circumstances that could affect benefits and to report changes in income as required by Department policy.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED] (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. During the fraud period, Respondent was issued \$ [REDACTED] in FIP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
10. The Department alleges that Respondent received an OI in FIP benefits in the amount of \$ [REDACTED]
11. This was Respondent's **first** alleged IPV for FAP and FIP.
12. A Notice of Hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260; MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), pp. 12-13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department seeks an IPV and alleges that Respondent failed to report income from unemployment during the fraud period causing Respondent to receive more FAP benefits and FIP cash assistance benefits than she was entitled to receive. In support of its case, the Department presented an application dated [REDACTED], for cash assistance and MA and FAP. The Respondent answered “No” in answer to the question whether she had any job income on both applications, which was correct; however, the Respondent did not disclose that she was receiving unemployment compensation benefits. Exhibit A, pp. 18 and 33.

The Department also presented a Consolidated Inquiry that demonstrated that Respondent began receiving Unemployment Compensation benefits beginning [REDACTED]. Exhibit A, p. 12. Thus, the evidence demonstrated that Respondent was receiving unearned income from unemployment benefits at the time of the application and failed to report same. In addition, the Department presented a Semi-Annual Contact Report filed by the Respondent on [REDACTED], where she failed to report income from unemployment and also reported that the household’s unearned income had not changed. Exhibit A, p. 55.

Based upon the evidence presented by the Department, it was established that the Respondent had income from unemployment benefits that she failed to report when which caused her to receive FIP and FAP benefits she was not otherwise entitled to receive.

While recipients of FAP and FIP benefits are required to report changes in income and starting employment, Respondent failed to do so. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (December 1, 2011), p. 5.

Clients must report changes in circumstances that potentially affect eligibility or benefit amount. BEM 105 (December 1, 2011), p. 7. Changes must be reported within 10 days of receiving the first payment reflecting the change. BAM 105, p. 11.

After a review of the entire record and the evidence presented it is determined that the Department has established an IPV for Food Assistance and FIP Cash Assistance by clear and convincing evidence as the Respondent never at any time during the application and semi-annual reporting, and months of receiving FAP and FIP report that she was receiving income from unemployment benefits.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 16. Clients are disqualified for 10 years for an FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department did establish by clear and convincing evidence that the Respondent failed to report her employment and income from employment during the period she was receiving FIP and FAP benefits and that an IPV was established; and thus, the Department is entitled to a finding of disqualification of Respondent from receipt of both FIP and FAP benefits.

### **Overissuance**

When a client group receives more benefits than it is entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. An **overissuance (OI)** is the amount of benefits issued to the client group or CDC provider in excess of what it was eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold). BAM 700, (May 1, 2014), p. 7.

The Department presented monthly FAP budgets to establish the OI amounts. The budgets were reviewed at the hearing and are correct as presented. The budgets begin with [REDACTED]. The OI budgets list the unearned income included for FIP cash assistance and unemployment benefits and demonstrate that as a result of not reporting unemployment the Respondent received more FAP benefits that Respondent was entitled to receive. Exhibit A, pp. 13-18.

The Department presented monthly FIP Cash Assistance budgets to establish the OI amounts. The budgets were reviewed at the hearing and are correct as presented. The budgets begin with [REDACTED]. The OI budgets list the unemployment income included for unemployment benefit income received and demonstrate that as a result of not

reporting unemployment benefits income, the Respondent received more FIP benefits that Respondent was entitled to receive. In each of the months that the Respondent received FIP, her income from unemployment exceeded the FIP income limit making Respondent ineligible. Exhibit A, pp. 20-25.

In addition the Department presented FAP benefit issuance and FIP benefit issuance summaries demonstrating that the Respondent received monthly benefits for the period while her unemployment remained unreported. The Issuance Summary for FAP benefits demonstrates that each month Respondent received an OI beginning [REDACTED], p. 20. The FIP cash summary also showed an OI for each month and that Respondent was ineligible for every month beginning [REDACTED].

When the unearned income from unemployment is added to the FAP budget calculations and the FIP budget calculations, the income totals for each month's net income during the fraud period caused the Respondent to receive more FAP and FIP benefits than Respondent was entitled to receive because the original FAP and FIP benefit amounts were based upon the Respondent receiving only minimal income from child support as Respondent reported that she had lost employment when she applied for FIP and FAP on [REDACTED]. A review of the OI budgets at the hearing and further review by the undersigned found them to be correct. The Department also presented a Benefit Issuance Summary Inquiry to establish that Petitioner received FAP and FIP benefits throughout the OI period. See Exhibit A, pp. 58-59.

For the period [REDACTED], the Respondent was overissued \$ [REDACTED] in FAP benefits. For the period [REDACTED] the Respondent was overissued \$ [REDACTED] in FIP benefits.

Thus, the Department has established that it is entitled to recoup a total of \$ [REDACTED] for the FAP and FIP benefit OIs during the fraud period.

### **DECISION AND ORDER**

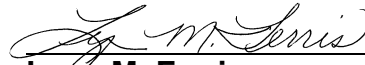

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV of her Food Assistance and FIP Cash Assistance.
2. Respondent **did** receive an OI of FAP benefits in the amount of \$ [REDACTED]
3. Respondent **did** receive an OI of FAP cash assistance benefits in the amount of \$ [REDACTED]

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED] for FAP and \$ [REDACTED] for FIP in accordance with Department policy. The total OI for both programs is \$ [REDACTED]

It is FURTHER ORDERED that Respondent be disqualified from FAP and FIP Cash Assistance for a period of **12 months**.
