HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 8, 2017, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP)?
2. Should Respondent be disqualified from receiving FAP benefits?
3. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on or around January 27, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to only use his FAP benefits for lawful food purchases and to not sell, trade, or give away FAP benefits.
5. The Department was not aware of Respondent having an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2014, to August 31, 2014 (fraud period).
7. During the fraud period, the Department alleges that Respondent trafficked \$ [REDACTED] in FAP benefits.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 5-7;12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7-8; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of

establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP benefits because he is responsible for ██████ in unauthorized FAP transactions related to a FAP trafficking scheme associated with ██████ and his business, ██████. Department policy provides that trafficking is: the buying, or selling of FAP benefits for cash or consideration other than eligible food; selling products purchased with FAP benefits for cash or consideration other than eligible food; and purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits. BAM 700 (May 2014), pp. 1-2. Trafficking also includes (i) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or (ii) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203 (July 2013), pp. 2- 3. The federal regulations define trafficking to include “attempting to buy, sell, steal, or otherwise affect an exchange of [FAP] benefits issued and accessed via Electronic Benefit Transfer (EBT) . . . for cash or consideration other than eligible food, either directly, indirectly, in complicity or collusion with others, or acting alone.” 7 CFR 271.2.

The Department conducted a joint investigation with the ██████ of ██████ and it was determined that he had been involved in a FAP trafficking scheme with several FAP benefit recipients during which ██████ would purchase FAP benefits/EBT cards from individuals in exchange for cash, and use the FAP benefits/EBT cards at various establishments, including ██████, and ██████ to purchase stock merchandise for his ██████ business.

According to the Investigation Report provided by the Department, the transaction records for the ██████ membership account were obtained from ██████ security. The documents indicated that more than ██████ individual Bridge cards belonging to ██████ recipients, including Respondent, were used to make purchases through the account at ██████ (Exhibit A, pp. 4-5). The Department asserted that ██████ admitted to helping out his customers when they needed cash by paying their rent and bills. When the customers could not pay him back, he would accept their EBT cards and FAP benefits as repayment. The Department also asserted that FAP purchases in excess of ██████ made at ██████ were trafficked, as ██████ admitted to exchanging EBT FAP benefits for cash at ██████ and allowing customers to run credit tabs, and pay the tabs off with their EBT cards. (Exhibit A, pp. 4-5,63-64). The Department further maintained that Respondent’s EBT card was used to make purchases by ██████ during the period in question.

In support of its contention that Respondent trafficked his FAP benefits, the Department presented Respondent’s FAP transaction history showing FAP purchases by date, time,

and amount, as well as a benefit summary inquiry showing that Respondent received FAP benefits issued by the State of Michigan during the fraud period. A review of Respondent's FAP transaction history shows that Respondent's EBT/FAP card was used to make a purchase at [REDACTED] in the amount of [REDACTED] during the fraud period and that less than ten minutes prior, was used at the [REDACTED] next door to make a small purchase. (Exhibit A, p. 41).

The Department presented evidence through documentation obtained from [REDACTED] security to establish that the purchase at [REDACTED] made using Respondent's EBT card was done through [REDACTED] membership name and business. The Department also presented evidence showing that the items purchased at [REDACTED] using Respondent's EBT card were stock food items commonly sold at [REDACTED] [REDACTED] (Exhibit A, pp. 41-44, 61-62). The Department further testified that during the course of its investigation, it conducted an interview with Respondent during which Respondent stated that he has not shopped at [REDACTED] and does not know how the transactions occurred. Respondent informed the Department that he allowed other family members (who were not authorized representatives) to use his EBT Bridge card and they must have taken the card [REDACTED] Exhibit A, p. 5).

The foregoing evidence, coupled with the testimony provided by the Department during the hearing and the documents presented for review was sufficient, when viewed under the totality of the circumstances, to establish by clear and convincing evidence that Respondent trafficked his FAP benefits.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As discussed above, the Department has established by clear and convincing evidence that Respondent committed an IPV concerning the FAP. Because this is Respondent's first IPV, he is subject to a one-year disqualification from receipt of FAP benefits

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The OI amount for a trafficking-related IPV is the value of the trafficked benefits as determined by (i) a court decision, (ii) the individual's admission, or (iii) documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal

or state investigator of how much a client could have reasonably trafficked in that store, which can be established through circumstantial evidence. BAM 720, p. 8.

As discussed above, the Department presented clear and convincing evidence to support its allegation that Respondent trafficked his FAP benefits. The identified transactions on the transaction history total [REDACTED]. Therefore, based on the benefit summary inquiry provided by the Department establishing that Respondent was issued FAP benefits by the State of Michigan during the fraud period and the FAP transaction history which shows [REDACTED] in countable FAP transactions that involved trafficking, the evidence established that Respondent trafficked [REDACTED] of his FAP benefits during the fraud period and the Department is entitled to recoup that amount.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV by trafficking FAP benefits.
2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the FAP.

The Department is ORDERED to initiate recoupment/collection procedures in accordance with Department policy for the amount of [REDACTED] less any amount already recouped and/or collected.

It is FURTHER ORDERED that the Department disqualify Respondent from FAP for a period of **12 months**.
