HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 792.10111 and R 792.11003. After due notice, a telephone hearing was held on June 8, 2017, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing, and it was held in Respondent's absence pursuant to 7 CFR 273.16(e) and Mich Admin Code, R 792.10134.

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP)?
2. Should Respondent be disqualified from receiving FAP benefits?
3. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 1, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving FAP program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report her felony drug convictions.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period (fraud period) is October 2, 2014 to February 29, 2016.
7. The Department alleges that during the fraud period Respondent was issued ██████ in FAP benefits by the State of Michigan but was entitled to ██████ in such benefits.
8. The Department alleges that during the fraud period Respondent received an OI in FAP benefits in the amount of ██████
9. This was Respondent's second alleged FAP IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 5.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding her or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits her or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or

eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV because she failed to disclose that she had two drug-related felony convictions. People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (July 2014 and October 2015), p. 1. Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996 or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2.

In support of its contention that Respondent failed to report her felony-drug convictions, the Department presented (i) redeterminations Respondent submitted to the Department on October 2, 2014 and October 1, 2015; (ii) a printout from the [REDACTED] database showing that under case no. [REDACTED] Respondent pleaded guilty on August 23, 2001 to controlled substance-delivery/manufacture narcotics, under 50 grams, MCL 333.7403 2A4 (Exhibit A, pp. 26-27); (iii) a printout from the [REDACTED] database showing that under case no. [REDACTED] Respondent was convicted by a jury on December 8, 2004 to controlled substance-delivery/manufacture narcotics, under 50 grams, MCL 333.7403 2A4 (Exhibit A, pp. 31-34); and (iv) a benefits summary inquiry showing that Respondent received FAP benefits during the fraud period.

The cited statutory grounds for the convictions in the judgments establish that Respondent had two felony drug convictions. Because her felony drug convictions were after August 22, 1996 and before October 1, 2011, Respondent was permanently disqualified from receipt of FAP benefits following the October 1, 2011 effective date of the felony drug policy. Although Respondent had two felony drug convictions at the time she completed her redeterminations, she denied having any convictions (Exhibit A, pp. 16, 22). In her application, Respondent certified that the information she provided was true and acknowledged understanding that she could be prosecuted for fraud and be required to repay any benefits wrongfully received by her based on the information she provided (Exhibit A, pp. 17, 23). Respondent's failure to disclose her felony drug convictions in her redeterminations was sufficient to establish that she intentionally withheld information that, if properly disclosed, would have made her ineligible for FAP benefits. Under these circumstances, the Department established by clear and convincing evidence that Respondent committed an IPV in connection with her FAP case.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV

cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As discussed above, the Department has established by clear and convincing evidence that Respondent committed an IPV. The Department established that Respondent had one prior IPV concerning FAP. Because this was Respondent's second FAP IPV, she is subject to a two-year disqualification from her receipt of FAP benefits on the basis of IPV.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged that Respondent was overissued FAP benefits totaling ██████ during the fraud period. The Department presented a benefits summary inquiry showing that Respondent was issued ██████ in FAP benefits during the fraud period. Because of her felony drug convictions, as described above, Respondent was a disqualified member of her FAP group during the fraud period. BEM 212 (July 2014 and October 2015), pp. 8-9. Because she was the only member of her FAP group, she was not eligible for any of the FAP benefits issued to her during the fraud period.

Thus, the Department is entitled to recoup and/or collect ██████ from Respondent for overissued FAP benefits during the fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed a FAP IPV.
2. Respondent **did** receive an OI of FAP program benefits in the amount of ██████.

The Department is ORDERED to initiate recoupment and/or collection procedures in accordance with Department policy for a FAP OI in the amount of ██████, less any amounts already recouped/collected, for the period October 2, 2014 to February 29, 2016.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of **24 months**.
