HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on May 31, 2017, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent represented herself.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On January 27, 2014, the Department received Respondent's completed Redetermination (DHS-1010) form where she acknowledged under penalties of perjury that the information on that form was true and complete. Exhibit A, pp 10-13.
2. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

3. Respondent reported to the Department on her January 27, 2014, Redetermination form that a member of her benefit group, [REDACTED], has been convicted of one drug-related felony occurring after August 22, 1996. Exhibit A, p 13.
4. On February 27, 2015, the Department received Respondent's completed Redetermination (DHS-1010) form where she acknowledged under penalties of perjury that the information on that form was true and complete. Exhibit A, pp 14-19.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. Respondent reported to the Department on her February 27, 2015, Redetermination form that a member of her benefit group, [REDACTED] has been convicted of one drug-related felony occurring after August 22, 1996. Exhibit A, p 18.
7. A member of Respondent's benefit group, [REDACTED], pled guilty to Delivery of a Controlled Substance Less Than 50 Grams on February 17, 2006. Exhibit A, p 20.
8. A member of Respondent's benefit group, [REDACTED], pled guilty to Delivery/Manufacture of a Controlled Substance Less Than 50 Grams on September 21, 2005. Exhibit A, p 21.
9. Respondent received Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from February 1, 2014, through November 30, 2015. Exhibit A, pp 22-25.
10. If Respondent had truthfully reported the complete drug-related felony conviction history of all members of her benefit group then she would have been eligible for Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from February 1, 2014, through November 30, 2015. Exhibit A, pp 26-56.
11. On March 27, 2017, the Department sent the Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 5-8.
12. The Department's OIG filed a hearing request on March 27, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 2.
13. This was Respondent's first established IPV.
14. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives benefits than they are entitled to receive, the Department must attempt to recoup the overissuance. Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2016), p 1.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. Department of Health and Human Services Bridges Eligibility Manual (BEM) 203 (October 1, 2015), p 2.

Respondent acknowledged under penalties of perjury that her January 27, 2014, and February 27, 2015, redetermination forms were examined by or read to her, and, to the best of her knowledge, contained facts that were true and complete. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. On both of these forms, Respondent reported to the Department that a member of her FAP benefit group, [REDACTED], had been convicted of one drug-related felony occurring after August 22, 1996.

However, this information Respondent reported to the Department to determine her eligibility for FAP benefits was neither true nor complete. A member of Petitioner's FAP benefit group, [REDACTED] had pled guilty to separate drug-related felony offenses on February 17, 2006, and September 21, 2005. [REDACTED] would have been permanently disqualified from FAP if her history of drug-related felonies occurring after August 22, 1996, had been reported to the Department. [REDACTED] would have remained eligible for FAP benefits with only one drug-related felony as reported to the Department by Respondent.

Respondent does not dispute that [REDACTED] has more than one drug-related felony conviction with each occurring after August 22, 1996. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720. Respondent received FAP benefits totaling \$ [REDACTED] from February 1, 2014, through November 30, 2015, including [REDACTED] as an eligible member. If [REDACTED] been properly given a lifetime disqualification as directed by BEM 203, Respondent would have been eligible for reduced FAP benefits totaling \$ [REDACTED] during that same period. Therefore, Respondent received a \$ [REDACTED] overissuance of AP benefits.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged under penalties of perjury that her January 27, 2014, and February 27, 2015, redetermination forms were examined by or read to her, and, to the best of her knowledge, contained facts that were true and complete. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. On both of these forms, Respondent reported to the Department that a member of her FAP benefit group, [REDACTED], had been convicted of one drug-related felony occurring after August 22, 1996.

Respondent acknowledged her understanding of the requirements of receiving FAP benefits but argued that [REDACTED] does have mental impairments that limited his ability to recall his history of drug-related felony convictions. Respondent argued that her ability to provide the Department with accurate information was dependent on Mr. [REDACTED] to supply her with accurate information. Respondent argued that Mr. [REDACTED] impairments were a barrier to her getting an accurate history of his history of drug-related felony convictions. Respondent offered a copy of the high school transcripts of Mr. [REDACTED] as evidence of his mental impairments.

This Administrative Law Judge finds that the high school transcripts are insufficient evidence to establish a mental impairment as a barrier to Mr. [REDACTED] accurately recalling his history of drug-related felony convictions. Therefore, Respondent knew or should

have known that Mr. [REDACTED] had more than one drug-related felony conviction with each occurring after August 22, 1996. This Administrative Law Judge finds that the Department has presented clear and convincing evidence that the Respondent intentionally failed to report an accurate history of the drug-related felony convictions of an active member of her FAP benefit group for the purposes of maintaining the level of FAP benefits that she would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

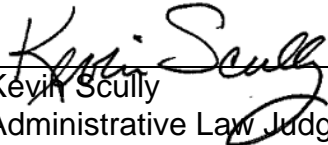

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
