HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services ("Department" or "MDHHS"), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on June 1, 2017, from Lansing, Michigan. [REDACTED] [REDACTED] Regulation Agent of the Office of Inspector General (OIG), represented the Department. Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did Respondent commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 21, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was incarcerated in the [REDACTED] Jail from October 26, 2015, to April 30, 2016. [Exh. 1, pp. 11-12].
4. Respondent was a recipient of FAP benefits issued by the Department during the time period that he was incarcerated. Respondent had a FAP group size of 1 at all relevant times. Respondent did have an authorized representative (AR) on his case. [Exh. 1, pp. 46-47, 48].
5. The OIG contends that Respondent's Electronic Benefit Transfer (EBT) card was used fraudulently by his AR while Respondent was incarcerated, which consists of FAP trafficking. Respondent allegedly failed to timely and properly report his incarceration.
6. Respondent was aware that it is unlawful to voluntarily transfer an EBT, Michigan "Bridge" cards and/or FAP benefits to any person outside of the FAP group. Respondent was also aware that it is unlawful to sell, trade, or give away his FAP benefits, personal identification number (PIN) or Michigan EBT card to an unauthorized person. FAP benefits must be used by household members to purchase eligible food for the household.
7. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to comply with the policies and/or laws that govern the use of FAP benefits.
8. The Department's OIG indicates that the time period they are considering the fraud period is January 1, 2016, through March 31, 2016 (fraud period).
9. During the alleged fraud period, Respondent is alleged to have trafficked \$ [REDACTED] in FAP benefits.
10. The Department alleges that Respondent received an OI of FAP benefits in the amount of \$ [REDACTED].
11. This was Respondent's first alleged FAP IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

Intentional Program Violation

An Intentional Program Violation (IPV) is a benefit overissuance (OI) resulting from the willful withholding of information or other violation of law or regulation by the client or his/her authorized representative. See Bridges Program Glossary (BPG) at page 24. When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, (1-1-2016) p. 1.

An IPV is suspected for a client who is alleged to have trafficked or is trafficking FAP benefits. BAM 720, (1-1-2016) p. 1. "Trafficking" is the buying or selling of FAP benefits for cash or consideration other than eligible food. BAM 700, p. 1. However, "[a] person who knowingly uses, transfers, acquires, alters, purchases, possesses, presents for redemption or transports food stamps or coupons or access devices other than as authorized by the food stamp act is guilty of trafficking." See 7 U.S.C. §§ 2011 to 2030, BEM 203, (10-1-2015) pp. 2-3, See also MCL §750.300a. This includes voluntary transfer of Electronic Benefit Transfer (EBT) or "Bridge" cards and/or FAP benefits to any person outside of the FAP group. FAP recipients cannot sell, trade, or give away their FAP benefits, personal identification number (PIN) or Michigan EBT card. FAP benefits must be used by household members to purchase eligible food for the household. 7 C.F.R. §274.7.

FAP recipients are precluded from purchasing eligible food items on credit and paying for the items using their EBT or Bridge card. FAP benefits shall not be used to pay for any eligible food purchased prior to the time at which the EBT card is presented to the authorized retailer or used to pay for eligible food in advance of the receipt of the food. 7 C.F.R. §274.7.

A person is disqualified from FAP when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. BEM 203, pp. 2-3. These FAP trafficking disqualifications are a result of: (1) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or (2) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203, p. 3.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period. Clients are disqualified for periods of 1 (one) year for the first IPV, 2 (two) years for the second IPV, a lifetime disqualification for the third IPV, and 10 (ten) years for a concurrent receipt of benefits. If the court does not address disqualification in its order, the standard period applies. BAM 720, p.16.

Clear and Convincing Evidence

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See Michigan Civil Jury Instruction (Mich Civ JI) 8.01.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an IPV. The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Here, the Department's OIG Agent contends that Respondent is guilty of an IPV because he, during the above fraud period, engaged in FAP trafficking by voluntary transferring an EBT, Michigan "Bridge" cards and/or FAP benefits to his AR who used his EBT card unlawfully while he was incarcerated. The Department's OIG also argues that Respondent sold, traded, or gave away his FAP benefits, personal identification number (PIN) or Michigan EBT card to his AR while he was in jail. According to the Department, Respondent's failure to report his incarceration coupled with the AR's unauthorized usage of Respondent's EBT card during the fraud period, resulted in FAP trafficking. The Department OIG further alleges that Respondent received an OI of FAP benefits as a result. Respondent did not appear at the hearing to dispute the Department OIG Agent's contentions.

This Administrative Law Judge has carefully considered and weighed the testimony and other evidence in the record. The following is the Administrative Law Judge's findings based on the clear and convincing evidence on the whole record.

Based on the above Findings of Fact, the Department has shown by clear and convincing evidence that Respondent's EBT card was used by his AR while he was incarcerated during the above fraud period. [Exh. 1, pp. 40-43, 48]. This supported by the Respondent's EBT card usage history contained in the record. [Exh. 1, pp. 40-43, 46]. The Department has shown by clear and convincing evidence that Respondent knowingly used, transferred, acquired, altered, purchased, possessed, presented for redemption or transported food stamps or coupons or access devices other than as authorized by the food stamp act. See 7 U.S.C. §§ 2011 to 2030, BEM 203, pp. 2-3, and

MCL §750.300a. The Department has shown that Respondent voluntarily transferred or gave his Michigan-issued EBT card (“Bridge card”), PIN or FAP benefits to his AR, who made unauthorized purchases with Respondent’s EBT card. The Department has also shown on the whole record that Respondent was aware that FAP benefits must be used by household members to purchase eligible food for the household.

This Administrative Law Judge finds that the evidence is clear and convincing that Respondent was guilty of FAP trafficking during the fraud period. Accordingly, the Department OIG Agent has established that Respondent committed an IPV with respect to the FAP program.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13.

An individual who is found guilty of a FAP IPV is disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Based on the Findings of Fact above, the Department has shown that Respondent was guilty of his first IPV concerning FAP benefits. The Department has also shown that Respondent received an OI of FAP benefits. According to BAM 700, the Department may recoup this OI.

This Administrative Law Judge therefore concludes that the Department has shown, by clear and convincing evidence, that Respondent committed an intentional violation of the FAP program resulting in a total \$ [REDACTED] overissuance. The Department has also shown that this is Respondent’s first FAP IPV. Consequently, the Department’s request for FAP program disqualification and full restitution must be granted.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, concludes that:

1. Respondent did commit an IPV due to FAP trafficking.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED]

IT IS ORDERED THAT the Department may initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

IT IS FURTHER ORDERED THAT that Respondent be disqualified from FAP benefits for a period of 12 months.

IT IS SO ORDERED.
