HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 21, 2017, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence in accordance with Bridges Administration Manual (BAM) 720 Intentional Program Violation. Respondent did submit an affidavit denying this alleged Intentional Program Violation (IPV).

ISSUE

Whether Respondent committed an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) Respondent was an ongoing recipient of Food Assistance Program (FAP) benefits who had certified knowledge of reporting requirements as well as the conditions that constitute fraud/IPV and trafficking and the potential consequences. Respondent's signature on his application certified that Respondent was clearly and correctly instructed regarding the proper and allowed use of Food Assistance Program (FAP) benefits and the Electronic Benefit Transfer (EBT) card. Respondent received Food Assistance Program (FAP) benefits as a group of one.

- (2) Respondent had no apparent physical or mental impairment that would have limited his understanding of the program rules.
- (3) On July 3, 2015, Respondent was incarcerated in the ██████ County Jail Facility. Respondent was transferred to the Michigan Department of Corrections (MDOC) on January 14, 2016. Respondent is currently being held in the MDOC.
- (4) On July 3, 2015, ██████ County Jail staff catalogued the items that Respondent had in his possession. They consisted of: State ID; shoelaces; cell phone; credit card; \$ ██████ cash; new balance shoes; and blue work pants. (Department Exhibit A page 48)
- (5) Between July 9, 2015 and November 17, 2015, while Respondent was incarcerated, his Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) card was used for twenty-five transactions at various locations. Use of the EBT by anyone other than Respondent is a violation of the Food Assistance rules. These unauthorized transactions constitute trafficking of Food Assistance Program (FAP) benefits. The total of Respondent's trafficking transactions was \$ ██████
- (6) On July 16, 2015, Respondent's State ID, shoelaces, cell phone, credit card, and \$ ██████ cash were released to ██████ (Department Exhibit A page 53 & 54)
- (7) This is Respondent's 1st Intentional Program Violation (IPV) of the Food Assistance Program (FAP).

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015.

In this case, the Department has requested a disqualification hearing to establish that Respondent committed an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits.

Bridges Administration Manual (BAM) 700 Benefit Over-Issuances defines trafficking as follows:

Trafficking is:

The buying, selling or stealing of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.

Selling products purchased with FAP benefits for cash or consideration other than eligible food.

Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.

Attempting to buy, sell or steal FAP benefits for cash or consideration other than eligible food.

Bridges Administration Manual (BAM) 720 Intentional Program Violation governs the Department's actions in this case. It provides in relevant part:

DEFINITIONS ALL PROGRAMS

Suspected IPV

Suspected IPV means an over-issuance exists for which all three of the following conditions exist:

The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility.

FAP Only

IPV is suspected for a client who is alleged to have trafficked FAP benefits.

IPV

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked.

OVER-ISSUANCE AMOUNT

FAP Trafficking

The OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

The court decision.

The individual's admission.

Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

OIG RESPONSIBILITIES

IPV Hearings

FIP, SDA, CDC, MA and FAP

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as T

Exception: For FAP only, OIG will pursue an IPV hearing when correspondence was sent using first class mail and is returned as undeliverable.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.

INTENTIONAL PROGRAM VIOLATION (IPV) OF TRAFFICKING

In the affidavit Respondent submitted, he asserts that he had his Electronic Benefit Transfer (EBT) Card on him when he was booked into the ██████ County Jail, and has not seen it since. Respondent also asserts that he did not "transfer" his card to anyone nor did he authorize anyone to use the card since he has been incarcerated. Respondent implies that employees of the ██████ County Jail should be investigated regarding any fraudulent use of his EBT card.

Evidence in this record shows that Respondent's personal items were catalogued when he was booked into jail. The catalogue of items does not indicate an EBT card. It does indicate a credit card. That credit card along with Respondent's State ID, cell phone, \$█████ cash and shoelaces were released to ██████ Respondent's assertion regarding his EBT card being taken by ██████ County Jail employees, is not credible.

The Department has submitted evidence showing that Respondent was incarcerated. There is also evidence which shows that Respondent's Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) Card was used during his incarceration. Use of the EBT was a violation of the Food Assistance program rules. The 25 Electronic Benefit Transfer (EBT) card transactions made while he was incarcerated, are trafficking transactions.

Respondent was issued the "How To Use Your Michigan Bridge Card" booklet at the same time as being issued an Electronic Benefit Transfer Card. The booklet provided Respondent with notice of the Food Assistance Program rules and consequences for breaking those rules.

The evidence submitted by the Department constitutes clear and convincing evidence that Respondent committed, and intended to commit, an Intentional Program Violation (IPV) by trafficking Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]

DISQUALIFICATION

In accordance with 7 CFR §273.16(e)(8)(i), BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV and a lifetime disqualification for the third IPV.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation by engaging in Food Assistance Program (FAP) trafficking in the amount of \$ [REDACTED] which the Department is entitled to recoup in accordance with Department policies.

This is Respondent's 1st Food Assistance Program (FAP) Intentional Program Violation (IPV) and the Department must disqualify Respondent from receiving Food Assistance Program (FAP) benefits in accordance with 7 CFR §273.16(e)(8)(i) and Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHeld.
