HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED] [REDACTED] Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report any drug felony convictions occurring after August 22, 1996, to the Department within 10 days and to report information provided to the Department when completing an application correctly and accurately.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED].
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 1, 2016), p. 1;

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 1, 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

BEM 203 provides as that recipients of FAP are disqualified from receiving benefits after two drug-related felony convictions:

FIP and FAP

1st Offense

A person who has been convicted of a felony for the use, possession, or distribution of controlled substances is disqualified if:

- Terms of probation or parole are violated, **and**
- The qualifying conviction occurred after August 22, 1996.

If an individual is not in violation of the terms of probation or parole:

- FIP benefits must be paid in the form of restricted payments.
- Receipt of FAP benefits requires an authorized representative.

2nd Offense

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203(October 1, 2015), p. 2. Originally effective October 11, 2011.

In this case, in support of its contention that Respondent committed an IPV, the Department presented an online application for benefits where the Respondent answered “no” to the question, “Convicted of a Drug Felony?” on an application dated [REDACTED]. Exhibit A, p. 14. On an application completed on [REDACTED] the Respondent answered “no” to both the question, “Convicted of a Drug Felony?” and “no” to the question, “Convicted more than once?” Finally, on a redetermination completed [REDACTED], the Respondent answered “yes” to the question, “Convicted of a Drug Felony?” and “no” to the question, “Convicted more than once?”

In addition, the Department provided evidence to demonstrate that Respondent had been convicted of two drug-related felonies after August 22, 1996. The Department presented a Register of Actions involving a plea made by Respondent on [REDACTED] in [REDACTED] County Circuit Court. Exhibit A, p. 38. The Register of Actions presented to support this conviction does not support a conviction to the charge involving Count 2, Drug Related Felony for Controlled Substance - Delivery/manufacture/narcotic or Cocaine) Less

Than 50 Gr (Attempt) because the notation in the Disposition for Count 2 indicates that Respondent pled guilty to a probation violation, **not** to the attempted drug-related felony listed in Count 2. Exhibit A, p. 38.

The Department also presented evidence that Respondent was also convicted of a drug-related felony on [REDACTED], in [REDACTED] County Circuit Court which was established by the evidence. Exhibit A, p. 38.

Based upon the evidence presented, the Department's evidence did not establish that Respondent was convicted of two drug-related felonies. Thus, even though the Respondent answered incorrectly on the applications and redeterminations referenced above that he had not been convicted of a drug-related felony, he did not commit an IPV. Had he answered "yes" to the question, "Convicted of a drug felony?" the Respondent would have still been eligible to receive FAP benefits; but a representative payee would have been appointed for Respondent.

Based upon the evidence presented the Department did not establish an IPV by clear and convincing evidence; and thus, no IPV has been established.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, (October 1, 2015) p. 15. Clients are disqualified for ten years for an FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has not satisfied its burden of showing by clear and convincing evidence that the Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is not subject to a disqualification under the FAP program.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. Individuals convicted of certain crimes, such as trafficking and drug-related felonies; probation or parole violators; and fugitive felons are not eligible for FAP or SDA assistance. BEM 203 (October 2015), p. 1. In this case, the Department did not establish that the Petitioner was ineligible to receive FAP benefits during the alleged fraud period as it did not establish a drug-related felony disqualification, and thus, is not entitled to a finding of overissuance of FAP benefits in the amount of \$ [REDACTED]

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did not** receive an OI of FAP benefits in the amount of \$ [REDACTED]

The Department is ORDERED to delete the OI and cease any recoupment action.
