HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 18, 2017, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing. The Notice of Disqualification Hearing (MAHS-827) sent to Respondent was not returned as undeliverable. In accordance with 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5), and Bridges Administration Manual (BAM) 720 the hearing proceeded in Respondent's absence.

ISSUE

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
2. Did Respondent receive an over-issuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. Respondent was an ongoing recipient of Food Assistance Program (FAP) benefits under the Simplified Reporting category. Respondent was aware that she was required to calculate her gross earned income each month and report if it exceeded her Simplified Reporting income limit.

2. For February 2014, Respondent received gross earned income of \$ [REDACTED]
3. For March 2014, Respondent received gross earned income of \$ [REDACTED]
4. For April 2014, Respondent received gross earned income of \$ [REDACTED]
5. On May 27, 2014, Respondent submitted a Semi-Annual Contact Report (DHS-1046). The report stated that the gross earned income used in her Food Assistance Program (FAP) financial eligibility budget was \$ [REDACTED]. On the report Respondent was asked if her gross earned income had changed by more than \$ [REDACTED] from the \$ [REDACTED] budgeted. Respondent answered the question "No". Respondent signed the report indicating that the statements on the report were true and correct to the best of her knowledge.
6. Respondent had no apparent physical or mental impairment that would limit her understanding or ability to provide true and accurate information.
7. Respondent committed an Intentional Program Violation (IPV) by intentionally failing to report that her gross earned income had changed by more than \$ [REDACTED] from the \$ [REDACTED] budgeted.
8. In accordance with Bridges Administration Manual (BAM) 720 July 1, 2014 to November 30, 2014 has correctly been determined as the over-issuance period associated with this Intentional Program Violation (IPV).
9. During the over-issuance period Respondent received an \$ [REDACTED] over-issuance of Food Assistance Program (FAP) benefits.
10. This is Respondent's 1st Intentional Program Violation (IPV).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Bridges Administration Manual (BAM) 720 Intentional Program Violation (10-1-2015) governs the Department's actions in this case. OIG requests IPV hearing for cases involving:

1. FAP trafficking over-issuances that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**

The total amount is less than \$500, **and**

The group has a previous IPV, **or**

The alleged IPV involves FAP trafficking, **or**

The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**

The alleged fraud is committed by a state/government employee.

INTENTIONAL PROGRAM VIOLATION

BAM 720 states that a suspected IPV means an OI exists for which all three of the following conditions exist:

The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. In other words, the Department must show that the Respondent engaged in a fraudulent act or omission they knew would result in receiving assistance they were not eligible for.

In this case, the Department presented a Semi-Annual Contact Report (DHS-1046) that Respondent submitted to the Department prior to the alleged OI period. This documentation is sufficient to establish that Respondent intentionally under-reported her earned income.

This constitutes clear and convincing evidence that Respondent was aware of the responsibility to report that her gross earned income had increased by so much and

that she intentionally failed to report that with knowledge that doing so would reduce her benefits. Therefore, the Department has established that Respondent committed an IPV.

OVER-ISSUANCE

Over-issuance Period

BAM 720 states that the over-issuance period begins the first month (or pay period for CDC) benefit issuance exceeds the amount allowed by policy or 72 months (6 years) before the date it was referred to the RS, whichever is later.

To determine the first month of the over-issuance period (for over-issuances 11/97 or later) Bridges allows time for:

The client reporting period, per BAM 105.

The full standard of promptness (SOP) for change processing, per BAM 220.

The full negative action suspense period.

The over-issuance period ends the month (or pay period for CDC) before the benefit is corrected.

In this case, the Department submitted evidence showing that Respondent intentionally failed to report her increased gross earned income on May 27, 2014. Applying these requirements, the over-issuance period was properly calculated to begin July 1, 2014.

Over-issuance Amount

BAM 720 states the over-issuance amount is the benefit amount the client actually received minus the amount the client was actually eligible to receive. The Department presented a benefit summary showing that the State of Michigan issued Respondent a total of \$█ of Food Assistance Program (FAP) benefits during the over-issuance period. In accordance with the over-issuance budgets submitted by the Department, Respondent was only eligible for \$█ of Food Assistance Program (FAP) benefits during the over-issuance period. Respondent received an \$█ over-issuance of Food Assistance Program (FAP) benefits.

DISQUALIFICATION

In accordance with 7 CFR §273.16(e)(8)(i), BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV and a lifetime disqualification for the third IPV.

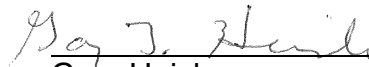

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV) which resulted in an \$ [REDACTED] over-issuance of Food Assistance Program (FAP) benefits that the Department is entitled to recoup in accordance with Department policies in BAM 705, BAM 710, BAM 720, and BAM 725.

This is Respondent's 1st Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and the Department must disqualify Respondent from receiving Food Assistance Program (FAP) benefits in accordance with 7 CFR §273.16(e)(8)(i) and Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Health and Human Services, in this matter, are UPHeld.
