Agency No.: [REDACTED]
Petitioner: OIG
Respondent: [REDACTED] [REDACTED]

ADMINISTRATIVE LAW JUDGE: Aaron McClintic

HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on June 20, 2017, from Lansing, Michigan. The Department was represented by [REDACTED] [REDACTED] of the Office of Inspector General (OIG). Department Exhibit 1, pp.1-56 was received and admitted.

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for 10 years?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on April 26, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits and, as such, allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. On the Assistance Application signed by Respondent on August 24, 2015, Respondent reported that she intended to stay in Michigan.
5. Respondent was aware of the responsibility to report changes in her residence to the Department.
6. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
7. Respondent began using FAP benefits outside of the State of Michigan beginning in March 18, 2016. (Dept. Ex. 1, pp. 40-48)
8. The OIG indicates that the time period they are considering the fraud period is April 1, 2016, through July 31, 2016.
9. During the alleged fraud period, Respondent was issued \$ [REDACTED] in FAP benefits from the State of Michigan.
10. During the alleged fraud period, Respondent was issued FAP benefits from the State of Georgia. (Dept. Ex. 1, pp. 49-50)
11. This was Respondent's first alleged IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2015), p. 6; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Respondent failed to disclose that she moved to the State of Georgia. Respondent used her Michigan BRIDGE Card exclusively in the State of Georgia beginning on March 18, 2016. (Dept. Ex. 1, pp. 40-48) Respondent also enrolled her child in school in Georgia. (Dept. Ex.1, pp. 51-52) Failing to disclose her moving out of state is an intentional program violation. BAM 720 In addition, Respondent received FAP benefits in the State of Georgia at the same time she received benefits in Michigan. (Dept. Ex. 1, pp. 49-50)

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA or FAP. BAM 720, p. 13. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, Respondent received concurrent benefits in Michigan and Georgia therefore a 10 year disqualification is required.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, Respondent received \$ [REDACTED] in FAP benefits and she was entitled to \$ [REDACTED]. Therefore, the amount of the overissuance is \$ [REDACTED].

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED]

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be personally disqualified from participation in the FAP program for 10 years.
