ADMINISTRATIVE LAW JUDGE: Zainab A. Baydoun

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP)?
2. Should Respondent be disqualified from receiving FAP benefits?
3. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on or around [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report his drug-related felony convictions.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], (fraud period).
7. The Department alleges that during the fraud period, Respondent's FAP group was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent's FAP group was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI of FAP benefits in the amount of \$ [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the U.S. Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp. 5, 12-13; ASM 165 (August 2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), pp. 7-8; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of

establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP because he misrepresented his circumstances on two redeterminations by failing to disclose that he had two or more drug-related felony convictions each occurring after August 22, 1996. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (January 2015), pp. 8-9. People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (January 2015), p. 1. Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996, or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2. The offense must be classified as a felony by the law of the State and have as an element the possession, use or distribution of a controlled substance. 21 USC 862a(a).

The Department presented documentation including Judgment of Sentence from the [REDACTED] and [REDACTED] Circuit Courts detailing Respondent's drug-related felony convictions, each of which occurred after August 22, 1996. (Exhibit A, pp. 9-11). According to the records provided, Respondent had two drug-related felony convictions after August 22, 1996, specifically in [REDACTED] in Case No. [REDACTED] for controlled substance delivery narcotic/cocaine under 50 grams; and [REDACTED] in Case No. [REDACTED] for controlled substance delivery less than 50 grams. The cited statutory grounds for the convictions in the documents presented by the Department establish that Respondent had two or more felony drug convictions. Both convictions have possession, use or distribution of a controlled substance as an element.

The Department asserted that when Respondent initially applied for FAP benefits, he disclosed that he had one felony conviction and an authorized representative was assigned to his FAP case. However, the Department maintained that Respondent failed to accurately disclose his criminal history on two subsequent redeterminations that were completed. The Department presented a redetermination completed by Respondent and submitted to the Department on [REDACTED], on which Respondent reported that he has been convicted of a drug-related felony after August 22, 1996, but then answers no to the question asking whether he had been convicted more than once. The Department presented a redetermination submitted on [REDACTED], on which Respondent fails to answer the questions relating to his drug-related felony convictions. (Exhibit A, pp. 12-23.) The redeterminations clearly instruct Respondent to provide true and complete information, as well as the penalties for failing to do so.

Therefore, because Respondent did not identify his drug-related felony convictions on the redeterminations he completed, the Department's evidence establishes, by clear and convincing evidence that Respondent was advised of his responsibility to

accurately report his circumstances, and that Respondent intentionally withheld information that if properly disclosed, would have made him ineligible for FAP benefits. Under these circumstances, the Department has established by clear and convincing evidence that Respondent committed an IPV of the FAP.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV. Because this was Respondent's first IPV, he is subject to a one-year disqualification under the FAP.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged that Respondent's FAP group, which consisted of Respondent and his daughter was issued FAP benefits in the amount of \$ [REDACTED] between [REDACTED] and [REDACTED]. An eligibility summary and benefit summary inquiry were presented in support of the Department's testimony. The Department asserted that due to his drug-related felony convictions, Respondent was a disqualified member of the FAP group and ineligible for FAP benefits issued on behalf during the fraud period, and thus, should be removed from the FAP group. The Department alleged that Respondent was overissued FAP benefits in the amount of \$ [REDACTED] as his FAP group was eligible to receive \$ [REDACTED] during the fraud period. (Exhibit A, p. 24.)

As discussed above, the evidence established that Respondent was ineligible for FAP benefits, as he was subject to a disqualification from the FAP. The Department presented FAP OI budgets for each month in the fraud period in support of its OI calculation. (Exhibit A, pp. 26-77). Because Respondent had unearned income during the fraud period, his income would continue to be fully budgeted in the determination of the remaining group member's FAP eligibility and benefit amount. See BEM 550 (October 2015), pp. 2-3. A review of the budgets shows that when Respondent is removed from the FAP group and his income considered, the remaining group member was eligible to receive \$ [REDACTED] in FAP benefits. (Exhibit A, pp. 26-77). Therefore, the Department is entitled to recoup \$ [REDACTED] from Respondent, which is the difference between the amount of FAP benefits actually issued to him and the amount the group was eligible to receive during the fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV of the FAP.
2. Respondent **did** receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy, less any amount already recouped/collected.

It is FURTHER ORDERED that Respondent be disqualified from the FAP for a period of 12 months.
