[REDACTED]

Date Mailed: September 18, 2017
MAHS Docket No.: 17-004996
Agency No.: [REDACTED]
Petitioner: [REDACTED]
Respondent: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Landis Lain

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on September 14, 2017, from [REDACTED], Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

Department's Exhibits 1-88 were admitted as evidence.

ISSUES

1. Did Respondent receive an over-issuance (OI) of Family Independence Program (FIP) and Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for twelve months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of Food Assistance Program (FAP) and Family Independence Program (FIP) benefits issued by the Department.
4. Respondent applied for and received FAP and FIP benefits from [REDACTED] through [REDACTED] alleging that her daughter DL was a household member.
5. It was later discovered that DL had been living with her father for approximately 3-4 years and visited with Respondent on weekends.
6. This was evidenced by Respondent's written statement and confirmed by DL's father TL during a telephone conversation.
7. It was also discovered that Respondent began employment for [REDACTED] on [REDACTED], but failed to report her earned income to the Department in a timely manner.
8. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
9. The Department's OIG indicates that the time period it is considering as the fraud period is [REDACTED], through [REDACTED], for FAP and [REDACTED], through [REDACTED], for FIP (fraud period).
10. During the fraud period, Respondent was issued \$ [REDACTED] in FAP and \$ [REDACTED] in FIP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
11. The Department alleges that Respondent received an OI in \$ [REDACTED] in FAP and \$ [REDACTED] in FIP benefits for a total of \$ [REDACTED].
12. This was Respondent's first alleged IPV.

13. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260; MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or

- the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016)(Emphasis added).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 700, p 7 (1/1/2016; BAM 720, p 1 (1/1/2016).

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720; see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Petitioner applied for and received FAP/FIP benefits from [REDACTED] through [REDACTED] alleging that her daughter DL was a household member. It was later discovered that DL had been living with her father TL during the relevant time period and visited Respondent on the weekends. Intentional Program Violation has been established in this case.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 2. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p 1 (4/1/2016). A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 16.

This was Respondent's first instance of an IPV. Therefore, a 12-month disqualification is required.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the overissuance. BAM 700, p 1 (1/1/2016).

The attempted trafficking amount is \$ [REDACTED]. Respondent solicited/attempted to purchase a bridge card for \$ [REDACTED] over social media.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV for purposes of FAP and FIP.
2. Respondent did receive an overissuance of Food Assistance Program benefits in the amount of \$ [REDACTED] and \$ [REDACTED] in Family Independence Program benefits for a total overissuance of \$ [REDACTED].

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is ORDERED that Respondent be disqualified from FAP and FIP for a period of 12 months beginning [REDACTED].
