FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - > the group has a previous IPV, or
 - > the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (1/1/16), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700; BAM 720.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

DRUG RELATED FELONY

FIP and FAP

1st Offense

A person who has been convicted of a felony for the use, possession, or distribution of controlled substances is disqualified if:

- Terms of probation or parole are violated, and
- The qualifying conviction occurred after August 22, 1996.

If an individual is not in violation of the terms of probation or parole:

- FIP benefits must be paid in the form of restricted payments.
- Receipt of FAP benefits requires an authorized representative.

2nd Offense

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996.

Example: Matthew Doe was found to have convictions for the use of a controlled substance on April 1, 2012 and for the distribution of a controlled substance on April 1, 2012. This would count as one conviction since it is on the same day. Policy for the 1st offense for a drug-related felony will be followed.

Example: Mary Smith was found to have a conviction for the possession of a controlled substance on February 1, 2012. Later, she was then convicted for the use and possession of a controlled substance on July 8, 2012. This would count as two convictions because they happened on different dates. Policy for a 2nd offense will be followed.

BEM 203, p. 2-3.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, Respondent was a recipient of FAP benefits issued by the Department. Department Exhibit 1, pg. 29. Respondent failed to report changes in household income of her earned income from a second employment at Resident Advancement from the parameter, through the parameter is required to recoup.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that Respondent did commit an Intentional Program Violation (IPV).
- 2. Respondent did receive an OI of FAP benefits in the amount of \$

The Department is ORDERED to initiate reco	upment procedures for the	amount of
in accordance with Department policy	. Since Respondent had ar	n open FAP
case, the Department has already started reco	upment from the \$	balance in
the amount of \$ with a balance of \$	as of the hearing date.	

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
