ISSUE

Did the Department of Health and Human Services (Department) properly close Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing Medical Assistance (MA) recipient.
2. Petitioner reported to the Department that her sole source of income was contributions from her family.
3. On February 13, 2017, the Department sent Petitioner a Verification Checklist (DHS-3503) requesting verification of her income by February 21, 2017. Exhibit A, pp 3-4.
4. On June 19, 2017, the Department notified Petitioner that it would close her Medical Assistance (MA) benefits effective August 1, 2017. Exhibit A, pp 5-7.
5. On June 27, 2017, the Department received Petitioner's request for a hearing protesting the closure of her Medical Assistance (MA) benefits. Exhibit A, p 2.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (October 1, 2016), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (April 1, 2017), pp 1-9.

Petitioner was an ongoing MA recipient when the Department sent her a Verification Checklist (DHS-3503) requesting that she provide verification of her income by February 21, 2017. Petitioner did not dispute that the sole source of her income is contributions from her family. On June 19, 2017, the Department had not received verification documents necessary to accurately determine her eligibility for MA benefits and notified her that it would close her MA benefits as of August 1, 2017.

While the Verification Checklist (DHS-3503) form gives only a vague description of what Petitioner was expected to provide to the Department, this Administrative Law Judge finds that it was sufficient to put her on notice of what she was to submit.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's Medical Assistance (MA) benefits for failure to provide the Department with information necessary to determine her eligibility to receive benefits.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
