HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on October 24, 2017, from [REDACTED] Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code, R 400.3130(5), or Mich Admin Code, R 400.3178(5).

Department's Exhibits pages 1-55 were admitted as evidence.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent receive a disqualification from the Food Assistance Program?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report convictions for drug felonies.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], through [REDACTED] (fraud period).
7. Rights and Responsibilities in accordance with BAM 105 were acknowledged when Respondent applied for FAP benefits [REDACTED].
8. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED].
10. This was Respondent's first alleged IPV.
11. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The

Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Pertinent Department policy dictates:

Criminal Justice Disqualifications

People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203, p 1 (10/1/2015). An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203, p 2.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee. BAM 720, pp 12-13 (1/1/2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities. BAM 720, p 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Evidence on the record establishes that, per the [REDACTED], Respondent was convicted of a Controlled Substance - Delivery/manufacture (Marijuana) on [REDACTED], and a Controlled Substance- Possession 2nd Offense on [REDACTED].

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving Family Independence Program, FAP, or State Disability Assistance, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV or conviction of two felonies for the use, possession, or distribution of controlled substances in separate periods if both offenses occurred after August 22, 1996. BEM 203, p 2; BAM 720, p 18. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p 17.

Here, the Department has requested a twelve-month disqualification. Because Respondent's felony drug convictions occurred after August 22, 1996, Respondent was not eligible for FAP benefits. Consequently, Respondent is disqualified from receiving FAP benefits for twelve months.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the over issuance. BAM 700, p 1 (1/1/2016).

Respondent, [REDACTED], applied for food assistance benefits on [REDACTED], and signed the Assistance Application acknowledging her responsibility to report changes as required. On the application, Respondent reported that she was working and that Respondent's FAP group member was laid off. On [REDACTED], Respondent was sent a Notice of Case Action explaining that Respondent was required to report when their total household gross income exceeded the simplified reporting limit of \$[REDACTED]. Respondent then completed a Semi-Annual Contact Report and indicated that their household income had not changed by more than \$[REDACTED] from \$[REDACTED], which was the amount the department was budgeting in her food assistance. Work number records verified that Respondent's FAP group member returned to work, after being laid off for a

short time in January, and received a paycheck on [REDACTED]. The amount of income that Respondent's FAP group member received in the month of February, in addition to the income Respondent received, exceeded the simplified reporting limit for that month. In addition, the work number record verified that during the month Respondent completed the Semi-Annual Contact Report and indicated that their income had not changed by more than \$ [REDACTED] from \$ [REDACTED], Respondent's FAP group member alone received \$ [REDACTED] in income. Due to Respondent's failure to report that their household income exceeded the simplified reporting limit and failure to accurately complete the Semi-Annual Contact Report, Respondent received an OI of food assistance in the amount of \$ [REDACTED] for the time period of [REDACTED], through [REDACTED].

Respondent was sent disqualification and repayment agreements to her current address listed on her case in Bridges on [REDACTED], with the option of signing and returning both forms or contacting Agent [REDACTED] to discuss the allegations. On [REDACTED], Agent [REDACTED] received the signed repayment agreement and disqualification waiver; however, Respondent signed the repayment agreement agreeing to repay the OI benefits but marked "I want to proceed with an Administrative Disqualification Hearing" on the DHHS 826.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED].

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for the requested twelve months from November 6, 2017, in accordance with Department policy.
