HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 10, 2017, from Detroit, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). The Respondent appeared for the hearing and represented herself.

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP)?
2. Should Respondent be disqualified from receiving FAP benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on or around February 23, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving FAP benefits.

3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to accurately report her circumstances and to report changes in her circumstances to the Department, such as changes in income for herself and her household group members.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is April 1, 2015, to March 31, 2016, (fraud period).
7. During the fraud period, the Department alleges that Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$1, [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

As a preliminary matter, although the Department presented evidence in support of an OI in the alleged amount of \$ [REDACTED] the Department testified that an administrative hearing decision with respect to the OI was no longer needed, as it had established a client error OI and Respondent had started repayment through the administrative recoupment process. Thus, based on the Department's withdrawal of its OI case, a decision will not be issued on the OI. The Department proceeded with its hearing request regarding the alleged IPV and program disqualification.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp. 5, 12-13; ASM 165 (August 2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), pp. 7-8; BAM 720, p.1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP because she failed to disclose that a household member, [REDACTED], was receiving unearned income consisting of monthly disability compensation from the Department of Veterans Affairs (VA). Clients must completely and truthfully answer all questions on forms and in interviews. Clients must report changes in circumstances that potentially affect eligibility or benefit amount. Changes such as starting or stopping employment, earning income, and starting or stopping a source of unearned income must be reported within 10 days of receiving the first payment reflecting the change. BAM 105 (July 2015), pp. 7-11.

The Department contended that Respondent's failure to report the unearned income caused an OI of FAP benefits in the amount of \$ [REDACTED] from April 2015 to March 2016. The Department provided verification of [REDACTED] receipt of VA disability benefits showing that effective December 1, 2014, he began receiving \$ [REDACTED] monthly. (Exhibit A, p. 41).

In support of its contention that Respondent committed an IPV, the Department presented an assistance application completed by Respondent and received by the Department on April 7, 2015, on which she reports that [REDACTED] was a household group member and that he had earned income from employment but fails to disclose his unearned income from VA disability benefits. The Department presented a Notice of Case Action dated May 5, 2015, informing Respondent that she and her group members including [REDACTED] were approved for FAP benefits and that \$ [REDACTED] in unearned income was being budgeted for their case. (Exhibit A, pp. 11-33). The Department further presented a Semi-Annual Contact Report submitted by Respondent on August 17, 2015, on which she fails to report [REDACTED] unearned income from VA compensation. (Exhibit A, pp. 35-36).

At the hearing, the Department testified that on a subsequent application for assistance, Respondent disclosed [REDACTED] unearned income from VA disability compensation. Respondent testified that her failure to disclose the income on the prior application and the Semi-Annual Contact Report was an unintentional oversight. Respondent asserted that she later reported it on an application and further agreed to repay any overissued FAP benefits.

After a thorough review of the evidence presented, the Department has failed to establish that Respondent intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program

benefits or eligibility. As such, the Department has failed to establish, by clear and convincing evidence, that Respondent had the intent to commit an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department failed to satisfy its burden of showing that Respondent committed a FAP IPV. Therefore, Respondent is **not** subject to a disqualification from the FAP.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV and thus, Respondent is not subject to disqualification from the FAP.
