ADMINISTRATIVE LAW JUDGE: Michael Crews

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 6, 2017, from Detroit, Michigan. The Department was represented by Derrick Gentry, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) of Food Assistance Program (FAP) benefits?
2. Should Respondent be disqualified from receiving FAP benefits?
3. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 6, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. The Department alleges that Respondent was aware of the responsibility to completely and truthfully answer all questions in his applications/redeterminations, including, but not limited to, those regarding drug felony convictions.
5. The Department alleges that Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2015 through December 31, 2016 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The

Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent intentionally withheld or misrepresented information regarding drug related convictions for offenses that occurred after August 22, 1996 for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility and, as such, he committed an IPV.

Individuals convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (January 2015), p. 1. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (July 2015), p. 8.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203, p. 2. The offense must be classified as a felony by the law of the State and have as an element the possession, use or distribution of a controlled substance. The term "distribute" means to deliver (other than administering or dispensing) a controlled substance or a listed chemical. The term "deliver" or "delivery" means the actual, constructive, or attempted transfer of a controlled substance or a listed chemical, whether or not there is an agency relationship. 21 USC section 862a(a)(1) and (2); 21 USC 802(8) and (11). The disqualification does not apply if the conviction is for conduct occurring on or before August 22, 1996. 21 USC 862a(d)(2).

The Department presented an application submitted by Respondent on July 24, 2015 (Exhibit A, pp. 10-40). In the application, Respondent indicated that he had not been convicted of a drug-related felony and that he had not been convicted of a drug-related felony more than once (Exhibit A, p. 16). Under the penalty of perjury, Respondent electronically signed the application as confirmation that the information contained within was true and complete (Exhibit A, p. 23).

However, in support of its allegation that Respondent committed an IPV, the Department presented a [REDACTED] Register of Actions which showed that Respondent was found guilty by jury of Controlled Substance-Possession (narcotic or cocaine) Less Than 25 Grams on November 24, 1998 (Exhibit A, p. 42). A second [REDACTED] Register of Actions showed that Respondent pled guilty to Controlled Substance-Delivery/Manufacture (narcotic or cocaine) Less Than 50 grams on August 22, 2013 (Exhibit A, pg. 43).

As such, as of July 24, 2015, Respondent had two drug felony convictions from offenses that occurred after August 22, 1996, but he failed to completely and truthfully

report the convictions on his application. If this information had been properly disclosed, Respondent would have been ineligible for FAP benefits.

Therefore, it is found that the Department established that Respondent intentionally withheld or misrepresented information regarding his two drug felony convictions for offenses that occurred after August 22, 1996. Therefore, the Department established by clear and convincing evidence that Respondent committed an IPV as to his FAP benefits.

Disqualification

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. BAM 720 (October 2014), p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16. Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period. BAM 720, p. 16. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for concurrent receipt of FAP benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12-month disqualification from receipt of FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700 (May 2014), p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (July 2014), p. 6; BAM 705 (July 2014), p. 6.

In this case, the Department alleged that Respondent was overissued FAP benefits totaling \$1,846.00 during the August 1, 2015 to December 31, 2016 fraud period.

However, the Department presented a benefit issuance summary showing that from August 1, 2015 to December 31, 2015, Respondent was issued \$ [REDACTED] in FAP benefits (Exhibit A, p. 45) and from August 16, 2016 through December 31, 2016, Respondent was issued \$ [REDACTED] in FAP benefits (Exhibit A, p. 47). There was no evidence set forth in the benefit issuance summary for January 1, 2016 through August 15, 2016 (Exhibit A, pp. 45-47). As such, during the fraud period, the Department's evidence set forth that Respondent was issued \$ [REDACTED] in FAP benefits ([REDACTED] + [REDACTED]). Therefore, as Respondent actually received an amount in FAP benefits which exceeded the amount requested by the Department for the FAP OI, the Department established that Respondent received a FAP OI of at least \$ [REDACTED].

Respondent did not appear at the hearing. Therefore, Respondent failed to refute the evidence presented which revealed that he had two drug related felony convictions for offenses that occurred after August 22, 1996. Because of the two drug felony

convictions, Respondent was not entitled to benefits, and as such, he received an OI of FAP benefits in the amount of \$ [REDACTED] during the fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED]

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy, less any amounts already recouped/collected.

It is FURTHER ORDERED that Respondent be disqualified from receipt of FAP benefits for a period of 12 months due to an IPV.
