ADMINISTRATIVE LAW JUDGE: Amanda M. T. Marler

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on December 6, 2017 from Detroit, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

- 1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
- 2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
- 3. Should Respondent be disqualified from receiving benefits for the FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

The Department's OIG filed a hearing request on June 20, 2017, to establish an OI
of benefits received by Respondent as a result of Respondent having allegedly
committed an IPV.

- 2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
- 3. Respondent was a recipient of FAP benefits issued by the Department.
- 4. Respondent **was** aware of the responsibility to report all changes in employment or income to the Department.
- 5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department's OIG indicates that the time period it is considering the fraud period is October 1, 2016 through February 28, 2017 (fraud period).
- 7. During the fraud period, Respondent was issued \$ in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ in such benefits during this time period.
- 8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ ______
- 9. This was Respondent's first alleged IPV.
- 10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - > the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

The Department alleges that Respondent committed an IPV concerning his FAP benefits because he intentionally withheld information concerning his employment

income in order to receive or maintain FAP benefits from the State of Michigan. Employment income received by the client is considered in the calculation of a client's FAP eligibility and amount of benefits. BEM 556 (July 2013), pp. 2-6. FAP recipients who are not simplified reporters are required to report starting and stopping employment. BAM 105 (April 2016), p. 11.

Due to the close proximity in time of his application and start of employment in addition to the fact that the Respondent was receiving benefits based upon zero income, the evidence establishes a intentional misrepresentation by the Respondent in order to maintain his benefits. The Department has met its burden of proof by clear and convincing evidence that the Respondent committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 16. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 17. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As shown above, the Department has established by clear and convincing evidence that Respondent committed an IPV. This was Respondent's first IPV; therefore, he is subject to a one-year disqualification from receipt of FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. An OI is the amount of benefits issued to the client group or CDC provider in excess of what it was eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold). BAM 700, (May 1, 2014), p. 7.

A review of the FAP Benefit Issuance Summary as provided by the Department shows that the Respondent was issued \$ in benefits for the period from October 2016 through February 2017. (Exhibit A, pp. 21.) The Department alleges that the OI period

It is the same as the fraud period and totals To determine the first month of the OI period the Department allows time for: (i) the client reporting period, per BAM 105; (ii) the full standard of promptness (SOP) for change processing, per BAM 220; and (iii) the full negative action suspense period; see BAM 220, Effective Date of Change. BAM 715 (January 2016), p. 5. Based on the above policy and Respondent's receipt of his first paycheck on August 12, 2016, the Department properly applied the 10-day client reporting period, the 10-day processing period, and the 12-day negative action suspense period to arrive at the OI beginning date of October 1, 2016. BAM 715, p. 5.

The Department presented OI budgets that demonstrated that the Respondent was overissued FAP when the earned income from employment was included in his FAP benefit calculation. Respondent received more FAP benefits than he was entitled to receive because the original FAP benefit amount was based upon zero income. A review of the OI budgets from October 2016 through February 2016 found them be correct. (Exhibit A, pp. 25-34.) Based upon the evidence presented the Department has established that it is entitled to recoup a total of for the FAP benefit OI from October 2016 through February 2017, the difference between the in FAP benefits issued to him and the

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
- 2. Respondent **received** an OI of program benefits in the amount of \$ from the FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of **12** months.
