CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV because he failed to report his two felony drug convictions. Individuals convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (July 2014 and January 2015), p. 1. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (April 2014 and April 2015), pp. 5, 8-11.

Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996 or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2.

In support of its contention that Respondent failed to report his felony-drug convictions, the Department presented (i) an application Respondent submitted to the Department on January 12, 2016; (ii) an application Respondent submitted to the Department on September 9, 2016; (iii) a Register of Actions from [REDACTED] showing that Respondent pled guilty on October 26, 2010 to possession of a controlled substance less than 25 grams, MCL 333.7412 A4; (iv) a Register of Actions from [REDACTED] showing that Respondent pled guilty on April 8, 2013 to delivery/manufacture of a controlled substance less than 25 grams, MCL 333.7432 A5; and (v) a benefits summary inquiry showing that Respondent received FAP benefits from [REDACTED]; (vi) a redetermination dated October 31, 2014 and a redetermination dated October 30, 2015.

The cited statutory basis supporting the convictions in the judgments establish that Respondent had two felony drug convictions. Because both felony drug convictions were after August 22, 1996, Respondent was permanently disqualified from receipt of FAP benefits following his second conviction in [REDACTED]. Respondent had two felony drug convictions at the time his [REDACTED] redetermination and at the time of both his applications but he denied having any felony drug convictions (Exhibit A, pp. 31, 43 19 and 25). In his application, Respondent certified that the information he provided was true and acknowledged understanding that he could be prosecuted for fraud and be required to repay any benefits wrongfully received by him based on the information he provided (Exhibit A, p. 21, p, 36).

Respondent's failure to report that he had two felony drug convictions on his applications established that he intentionally withheld information that, if properly

disclosed, would have made him ineligible for FAP benefits. Under these circumstances, the Department established by clear and convincing evidence that Respondent committed an IPV in connection with his FAP case.

Disqualification

A client who is found to have committed a IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has established by clear and convincing evidence that Respondent committed an IPV. Therefore, the Department is entitled to a finding that Respondent is subject to a disqualification from receiving FAP benefits. Because this was Respondent's first FAP IPV, he is subject to a one-year disqualification from his receipt of FAP benefits on the basis of an IPV.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (July 2014), p. 6; BAM 705 (July 2014), p. 6.

In this case, the Department alleged that Respondent was overissued FAP benefits totaling ██████ during the fraud periods. Respondent was a FAP group of one member. The Department presented a benefits summary inquiry showing that Respondent was issued ██████ in FAP benefits during the fraud periods (Exhibit A, pp. 50-51). Because of his two drug felony convictions, Respondent was disqualified from receiving FAP benefits during the fraud periods. As a result, Respondent was not entitled to any of the FAP benefits issued to him during the fraud period.

Thus, the Department is entitled to recoup and/or collect ██████ from Respondent for overissued FAP benefits for the fraud periods.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the following program(s) Food Assistance.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from receiving Food Assistance for a period of **12 months**.
