HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on October 25, 2017, from Detroit, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for Food Assistance (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 28, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report criminal disqualification information.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is July 9, 2015 to February 29, 2016 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$1,006 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 7, 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 7.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or

eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV because she failed to disclose that a household member and father of her then 2-year-old child as listed on her application had two drug-related convictions when completing her application. Individuals convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (January 2015 and October 2015), p. 1.

Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated and the qualifying conviction occurred after August 22, 1996 or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2.

In support of its contention that Respondent failed to report her household members felony-drug convictions, the Department presented (i) an application Respondent submitted to the Department on July 9, 2015; (ii) a Register of Actions from Wayne County Circuit Court showing that Respondent's household member pled guilty on March 4, 2009 to controlled substance possession (narcotic or Cocaine) less than 25 grams, MCL 333.74032 A5; (iii) a Register of Actions from Wayne County Circuit Court showing that Respondent [REDACTED] MCL 333.74032 A5; and (iv) a benefits summary inquiry showing that Respondent received FAP benefits during the fraud period.

The cited statutory basis supporting the convictions establish that Respondent's household member had two felony drug convictions. Because both felony drug convictions were after August 22, 1996, Respondent's household member was permanently disqualified from receipt of FAP benefits from [REDACTED]. Respondent's household member had two felony drug convictions at the time she submitted the application and she answered "no" to the question regarding whether the household member had been convicted of a drug felony and "no" to the question convicted more than once. (Exhibit A, p. 22). The evidence established that the Respondent's household member had been convicted for a drug felony twice and thus was not eligible to receive FAP benefits, however the evidence did not establish that at the time of the application the Respondent was aware of the household member's drug felony convictions and thus the Department did not establish an IPV by clear and convincing evidence.

Under these circumstances, the Department not established by clear and convincing evidence that Respondent committed an IPV in connection with her FAP case.

Disqualification

A client who is found to have committed a IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has not established by clear and convincing evidence that Respondent committed an IPV. Therefore, the Department is not entitled to a finding that Respondent is subject to a disqualification from receiving FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (July 2014 and January 2016), p. 6; BAM 705 (July 2014 and January 2016), p. 6.

In this case, the Department alleged that Respondent was overissued FAP benefits totaling █████ during the fraud period. Respondent's household member was a FAP group member. Because he was not eligible to receive FAP benefits at the time of the application, and he was counted as a group member, the Respondent received more FAP benefits than she was entitled to receive because the household member was not eligible for FAP █████. The Department presented FAP overissuance budgets for the fraud period that were reviewed at the hearing which removed the household member from the FAP group reducing the group size to 4 instead of 5 members. Exhibit A, 59 through 75. The budgets as submitted were correct. The Department also submitted a benefits summary inquiry showing that Respondent was issued FAP benefits during the fraud period. Exhibit A, pp. 58-59. Because of the FAP group member's two drug felony convictions, Respondent's disqualified member was ineligible from receiving FAP benefits during the fraud period beginning July 9, 2015.

Thus, the Department is entitled to recoup and/or collect █████ from Respondent for overissued FAP benefits for the period from July 9, 2015 to February 29, 2016.

DECISION AND ORDER

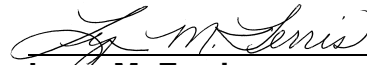

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the following program(s) Food Assistance.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED] in accordance with Department policy.
