HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 42 CFR 438.400 to 438.424; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. The Department of Health and Human Services (Department) was represented by Brenda Bolek, Family Independence Manager, and Michelle Van Wert, Assistance Payments Worker.

ISSUE

Did the Department properly close Petitioner's Medical Assistance (MA) benefit case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing MA recipient under the Healthy Michigan Plan (HMP).
2. On July 13, 2017, Petitioner submitted a redetermination and indicated he was receiving a monthly pension payment of \$1,589.44.
3. On August 17, 2017, the Department sent Petitioner a Health Care Coverage Determination Notice informing him that his MA benefit case was being closed effective September 1, 2017, ongoing.
4. On August 22, 2017, Petitioner submitted a request for hearing disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Petitioner submitted a redetermination on July 13, 2017. Petitioner indicated that he was receiving a monthly gross pension payment in the amount of \$1,589.44. Petitioner had previously submitted pay statements on June 27, 2016, verifying the amount of the pension payments. Petitioner was not married and did not claim any dependents on his taxes.

The Department concluded that Petitioner was not eligible for HMP because his income exceeded the applicable income limit for his group size. HMP uses a Modified Adjusted Gross Income (MAGI) methodology. BEM 137 (October 2016), p. 1. An individual is eligible for HMP if his household's income does not exceed 133% of the Federal Poverty Level (FPL) applicable to the individual's group size. BEM 137, p. 1. An individual's group size for MAGI-related purposes requires consideration of the client's tax filing status. In this case, Petitioner was not married and did not claim any dependents on his taxes. Therefore, in determining Petitioner's MA status, the Department properly considered Petitioner as having a group size of one. 133% of the annual FPL in 2017 for a household with one member is \$16,039.80. See <https://aspe.hhs.gov/poverty-guidelines>. Therefore, to be income eligible for HMP, Petitioner's annual income cannot exceed \$16,039.80.

To determine financial eligibility under HMP, income must be calculated in accordance with MAGI under federal tax law. BEM 500 (July 2017), p. 3. MAGI is based on Internal Revenue Service rules and relies on federal tax information. BEM 500, p. 3. Income is verified via electronic federal data sources in compliance with MAGI methodology. MREM, § 1.

In order to determine income in accordance with MAGI, a client's adjusted gross income (AGI) is added to any tax-exempt foreign income, tax-exempt Social Security benefits, and tax-exempt interest. AGI is found on IRS Tax Form 1040 at line 37, Form 1040 EZ at line 4, and Form 1040A at line 21. Alternatively, it is calculated by taking the "federal taxable wages" for each income earner in the household as shown on the paystub or, if not shown on the paystub, by using gross income before taxes reduced by any money

the employer takes out for health coverage, child care, or retirement savings. This figure is multiplied by the number of paychecks the client expects in 2017 to estimate income for the year. See <https://www.healthcare.gov/income-and-household-information/how-to-report/>.

As Petitioner was receiving ongoing pension payments, the Department properly multiplied the pay statement amount provided by Petitioner by 12, as Petitioner is paid monthly, to obtain a yearly income of \$19,073.28. Therefore, the Department properly determined Petitioner was not eligible for MA benefits under the HMP program, as his income exceeded 133% of the FPL for a group size of one, or \$16,039.80.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when is closed Petitioner's MA case.

Accordingly, the Department's decision is **AFFIRMED**.
