ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on June 18, 2018, from Detroit, Michigan. The Department was represented by Allyson Carneal, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 19, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report changes in circumstance including changes in income and starting employment.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is May 1, 2016, through December 31, 2016, (fraud period).
7. During the fraud period, Respondent was issued \$[REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$[REDACTED]. The Department alleges that a debt has already been established, and thus, does not seek an overissuance in this matter but offers the OI amount to establish that the IPV threshold of \$500 is met.
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2017), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2017), pp. 6-7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department seeks a determination for an IPV alleging that Respondent committed an IPV because he failed to report income from employment while employed by three separate employers and never advised the Department that he had started to work and had income. The first employment began one month after he began receiving FAP benefits. Respondent applied for FAP benefits on February 16, 2016. The Respondent began working at [REDACTED] on March [REDACTED] 2018, and received his first pay shortly thereafter. The evidence established that Respondent also began employment with [REDACTED] and worked there from June 2016 through August 2016 and then Respondent worked for a [REDACTED] beginning September 2016 and worked through December 2016. (Exhibit A, pp. 33-35.) The evidence established that Respondent was employed continuously from March through December 2016 and failed to tell the Department and withheld his employment from the Department. In support of the IPV sought, the Department also presented the Notice of Case Action advising the Respondent that his FAP benefits were based upon receiving no income; a Change Report to establish the requirement to report changes in income and employment and further notice to report changes as stated in the application. (Exhibit A, pp. 26-30.)

Clients must report changes in circumstances that potentially affect eligibility or benefit amount. BEM 105 (December 1, 2011), p. 7. Changes must be reported within 10 days of receiving the first payment reflecting the change. BAM 105, p. 11.

The Federal Regulations found at 7CFR273.16 allow the Department to proceed with a disqualification from the FAP program due to (1) intentionally making a false or misleading statement, or misrepresented, concealed or withheld facts.

As Respondent did not attend the hearing and offered no other facts to rebut the Department's evidence, it is determined based upon the failure of the Respondent to report employment and income with respect to three separate jobs and continuous employment for months without reporting same, the Department has established that Respondent intentionally did not do so in order to continue to receive FAP benefits and thus has established that Respondent committed an IPV by clear and convincing evidence.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (October 2016), p. 1. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and

lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is subject to a disqualification under the FAP program. BAM 720, p. 16.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.

The Department is ORDERED to disqualify the Respondent from receiving Food Assistance for a period of **12 months**.
