**ADMINISTRATIVE LAW JUDGE: Amanda M. T. Marler**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on January 17, 2018 from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of the Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for the FAP?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on July 5, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to notify the Department of any changes in his circumstances.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is January 15, 2017, through March 21, 2017 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
  - the total amount is less than \$500.00, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 5.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 11.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing, or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that the Respondent committed an IPV of his FAP benefits by trafficking his FAP benefits while he was incarcerated. Trafficking is (i) the buying or selling of FAP benefits for **cash or consideration** other than eligible food; (ii) selling products purchased with FAP benefits for cash or consideration other than eligible food; and (iii) purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits. BAM 700, p. 2.

In support of its case, the Department provided an email from someone within the Macomb County municipal government that indicated that Respondent was incarcerated from January 13, 2017, through March 22, 2017. The email communication does not list this person's title and it is unclear what information was provided or utilized to confirm the Respondent's identity. Since it is unclear if the individual from Macomb County has any authority to confirm whether Respondent was incarcerated and because no evidence was presented to confirm that the person alleged to have been incarcerated is the Respondent, the Department has not met its burden in showing that Respondent was in fact incarcerated. Without meeting the threshold of establishing Respondent's incarceration, the Department cannot meet its burden of proof to establish that the Respondent committed an IPV by trafficking benefits while incarcerated.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, as mentioned above, the Department has not met its burden of proof to establish by clear and convincing evidence that the Respondent committed an IPV. Therefore, the Respondent is not subject to a disqualification under the FAP program.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive.

BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6. The OI amount for a trafficking-related IPV is the value of the trafficked amount as determined by an administrative hearing decision, repayment and disqualification agreement, or court decision. BAM 720, p. 8.

In this case, the Department alleged an OI of \$ [REDACTED] based upon trafficking of benefits while the Respondent was incarcerated. As discussed above, the Department has not met its burden of proof in establishing Respondent's incarceration. Therefore, the Department has not shown that Respondent was ineligible for benefits or that he received an OI of FAP benefits.

### DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did not** receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP.

The Department is ORDERED to delete the OI and cease any recoupment action.

It is FURTHER ORDERED that Respondent **is not subject** to a period of disqualification from the FAP.
