ISSUE

Did the Department properly close Petitioner's Medical Assistance (MA) benefit case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner was an ongoing MA recipient under the Group 2 SSI-related (G2S) program.
2. On October 4, 2017, the Department sent Petitioner a redetermination/renewal form (Exhibit A).
3. On November 17, 2017, the Department sent Petitioner a Health Care Coverage Determination Notice informing her that her MA benefit case was closing effective December 1, 2017, ongoing for her failure to complete the renewal (Exhibit B).
4. On December 6, 2017, Petitioner submitted a request for hearing disputing the Department's actions.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, the Department sent Petitioner a DHS 10-10 Redetermination form on October 4, 2017. Although the document was titled "redetermination," the Department was conducting an annual eligibility review. According to the document, the form was required to be completed and submitted by November 3, 2017.

The Department must periodically redetermine or renew an individual's eligibility for active programs. BAM 210 (October 2017), p. 1. Redetermination, renewal, semi-annual and mid-certification forms are often used to redetermine eligibility of active programs. BAM 210, p. 1. For MA cases, a redetermination is an eligibility review based on a reported change and a renewal is the full review of eligibility factors completed annually. BAM 210, p. 1. The DHS-1010 redetermination form is generated and sent to the client at the time of an annual renewal. BEM 105 (April 2017), p. 3. Benefits stop at the end of the benefit period unless a renewal is completed, and a new benefit period is certified. BAM 210, p. 3.

The Department testified that Petitioner did not complete the DHS-1010 form prior to November 3, 2017. Petitioner stated she was unsure if she received the redetermination paperwork. On November 17, 2017, the Department sent Petitioner a Health Care Coverage Determination Notice informing Petitioner that her MA benefit case would close effective December 1, 2017, ongoing, for her failure to submit the renewal documentation. The Department testified that Petitioner's benefit period ended November 30, 2017.

Petitioner was unable to confirm or deny that she received the redetermination paperwork. The Department provided credible testimony that Petitioner did not return the redetermination paperwork. Therefore, the Department acted in accordance with policy when it did not renew Petitioner's MA benefits and closed her MA benefit case effective December 1, 2017, ongoing.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed Petitioner's MA benefit case. Accordingly, the Department's decision is **AFFIRMED**.
