HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on January 23, 2018, from [REDACTED] Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On August 8, 2016, Respondent acknowledged her duties and responsibilities including the duty to report changes of residency and the receipt of benefits from another state. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 9-21.

2. The Respondent received Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from February 1, 2017, through July 31, 2014. Exhibit A, p 25.
3. Respondent began using her Food Assistance Program (FAP) benefits in [REDACTED] on January 10, 2017 and used them exclusively in [REDACTED] through July 31, 2014. Exhibit A, p 24.
4. The Respondent received food assistance benefits from the state of Virginia from January 19, 2017 through July 14, 2017. Exhibit A, pp 22-23.
5. On July 27, 2017, the Department sent the Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826).
6. The OIG has requested that Respondent be disqualified from receiving program benefits.
7. The Department's OIG filed a hearing request on July 27, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
8. This was Respondent's third established IPV. Exhibit A, p 26.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives benefits than they are entitled to receive, the Department must attempt to recoup the overissuance. Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2016), p 1.

Concurrent receipt of benefits means assistance received from multiple programs to cover a person's needs for the same time. Benefit duplication means assistance received from the same (or same type of) program to cover a person's needs for the same month. Benefit duplication is prohibited except for MA and FAP in limited circumstances. Department of Health and Human Services Bridges Eligibility Manual (BEM) 222 (October 1, 2016), p 3.

To be eligible for FAP benefits, a person must be a Michigan resident. A person is considered a resident under the Food Assistance Program (FAP) while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (January 1, 2016), p 1.

A person cannot receive FAP in more than one state for any month. BEM 220.

On an application for assistance dated August 8, 2016, Respondent acknowledged her duties and responsibilities including the duty to report changes of residency and the receipt of benefits from another state. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.

Respondent received FAP benefits totaling \$ [REDACTED] from February 1, 2017, through July 31, 2014. Respondent failed to report that she was living in [REDACTED] which was established from her use of FAP benefits exclusively in [REDACTED] from January 10, 2017, through May 26, 2017. Respondent also applied for and received food assistance from the state of Virginia from January 19, 2017, through July 31, 2014.

If Respondent had reported becoming a Virginia resident, then the Department would have closed her Michigan FAP benefits. Further, Respondent was not eligible to receive FAP benefits in any month that she received food assistance concurrently from another state. Respondent was not eligible for any of the FAP benefits she received from February 1, 2017, through July 31, 2014, and she received a \$ [REDACTED] overissuance of FAP benefits.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges
Administrative Manual (BAM) 700 (January 1, 2016), p 7,
BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged her duties and responsibilities on an application for assistance dated August 18, 2016, including her duty to report any change of residency and the receipt of benefits from another state. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent failed to report her receipt of food assistance from the state of Virginia, which she received concurrently with her Michigan FAP benefits. Respondent's failure to report her circumstances to the Department cause her to receive an overissuance of FAP benefits.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that the Respondent intentionally failed to report receiving food assistance from the state of Virginia concurrently with her Michigan FAP benefits for the purposes of maintaining her eligibility for FAP benefits that she would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The Department has established an Intentional Program Violation (IPV). A ten-year disqualification is appropriate in this case due to the concurrent receipt of food assistance in Michigan and Virginia.

However, since this is Respondent's third established Intentional Program Violation (IPV), Respondent is permanently disqualified from receiving Food Assistance Program (FAP) benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be permanently disqualified from the Food Assistance Program (FAP) program.
