HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on February 13, 2018, from [REDACTED] Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated November 20, 2015, Respondent acknowledged her duties and responsibilities including the duty to report any change of residency to the Department in a timely manner. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 10-41.

2. Respondent acknowledged under penalties of perjury that her November 20, 2015, application form was examined by or read to her, and, to the best of her knowledge, contained facts that were true and complete. Exhibit A, pp 23.
3. Respondent starting using Food Assistance Program (FAP) benefits in [REDACTED] on April 6, 2016 and used them predominately in [REDACTED] but exclusively outside Michigan through July 7, 2016. Exhibit A, pp 42-43.
4. Respondent leased a home in [REDACTED] as of March 19, 2016. Exhibit A, p 44.
5. Respondent received Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from May 1, 2016, through August 31, 2016. Exhibit A, pp 48-49.
6. Respondent received Medical Assistance (MA) benefits with a value of \$ [REDACTED] from May 1, 2016, through August 31, 2016. Exhibit A, p 50.
7. On July 27, 2017, the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 5-8.
8. The Department's OIG filed a hearing request on July 27, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 2.
9. This was Respondent's first established IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives benefits than they are entitled to receive, the Department must attempt to recoup the overissuance. Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2016), p 1.

To be eligible for FAP or MA benefits, a person must be a Michigan resident. A person is considered a resident for FAP while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. For MA benefits, a person is a Michigan resident while living in Michigan except for a temporary absence. Department of Health and Human Services Bridges Eligibility Manual (BEM) 220 (January 1, 2016), pp 1-2.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount. Changes must be reported within 10 days of receiving the first payment reflecting the change. Department of Health and Human Services Bridges Administrative Manual (BAM) 105 (April 1, 2016), p 11. The Department will act on a change reported by means other than a tape match within 15 workdays after becoming aware of the change, except that the Department will act on a change other than a tape match within 10 days of becoming aware of the change. Department of Health and

Human Services Bridges Administrative Manual (BAM) 220 (April 1, 2016), p 7. A pending negative action occurs when a negative action requires timely notice based on the eligibility rules in this item. Timely notice means that the action taken by the department is effective at least 12 calendar days following the date of the department's action. BAM 220, p 12.

On an application for assistance dated November 20, 2015, Respondent acknowledged her duties and responsibilities including the duty to report any change of residency to the Department. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent received FAP totaling \$ [REDACTED] from May 1, 2016, through August 31, 2016. Respondent received MA benefits with a value of \$ [REDACTED] from May 1, 2016, through August 31, 2016. Respondent's last use of her FAP benefits in Michigan was on March 27, 2016. Respondent began using FAP benefits in [REDACTED] on April 6, 2016 and used them predominately in [REDACTED] but exclusively outside Michigan through July 7, 2016. The exclusive use of benefits in another state is evidence of a lack of intent to remain a Michigan resident. Further, the hearing record contains evidence that the Department made a collateral contact with a leasing agent from the state of [REDACTED] who told the Department's investigator that Respondent leased a home in [REDACTED] as of March 19, 2016.

If Respondent had reported that she had left the state of Michigan on March 28, 2016, Respondent would not have been eligible for any FAP benefits by the benefit period after April 29, 2016. Therefore, Respondent was not eligible for any of the FAP benefits received from May 1, 2016, through August 31, 2016, and there was a [REDACTED] overissuance of FAP benefits. The hearing record does not contain any evidence that Petitioner intended to remain a Michigan resident while living in [REDACTED] and Petitioner was not eligible for any of the MA benefits she received from May 1, 2016, through August 31, 2016. Therefore, Respondent received a total overissuance in the amount of \$ [REDACTED]

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

On application for assistance dated November 20, 2015, Respondent acknowledged her duties and responsibilities including the duty to report any change of residency to the Department. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent failed to report becoming an ██████ resident on March 28, 2016, which was established by her exclusive use of FAP benefits outside Michigan from that date forward. As a result, Respondent received an overissuance of FAP and MA benefits.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that Respondent intentionally failed to report a change of residency to the Department for the purposes of becoming eligible for and maintaining eligibility for FAP benefits that she would not have been eligible for otherwise.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. Respondent did receive an OI of Medical Assistance (MA) benefits in the amount of \$ [REDACTED]
4. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
5. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
