**ADMINISTRATIVE LAW JUDGE:** Kevin Scully

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on February 6, 2018, from [REDACTED] Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). Respondent represented himself.

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from the Food Assistance Program (FAP)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On a Redetermination (DHS-1010) form received by the Department on October 21, 2016, Respondent acknowledged his duties and responsibilities including the duty to report the drug-related felony convictions of group members. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 9-16.

2. Respondent acknowledged under penalties of perjury that his October 21, 2016, Redetermination form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Exhibit A, p 15.
3. Respondent reported on his October 21, 2016, Redetermination form that he had not been convicted of any drug-related felonies after August 22, 19965. Exhibit A, 15.
4. Respondent failed to report to the Department that on [REDACTED], he had pled guilty to Possession of a Controlled Substance Under 25 Grams. Exhibit A, pp 17-20.
5. Respondent failed to report to the Department that on [REDACTED], he had pled guilty to Possession of a Controlled Substance Under 25 Grams. Exhibit A, pp 21-23.
6. Respondent received Food Assistance Program (FAP) benefits totaling \$ [REDACTED] from November 1, 2016, through June 30, 2017. Exhibit A, pp 24.
7. On July 31, 2017, the Department sent the Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$ [REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, p 4-7.
8. The Department's OIG filed a hearing request on July 31, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV. Exhibit A, p 2.
9. This was Respondent's first established IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Service as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
  - the total OI amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

### **Overissuance**

When a client group receives benefits than they are entitled to receive, the Department must attempt to recoup the overissuance. Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2016), p 1.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. Department of Health and Human Services Bridges Eligibility Manual (BEM) 203 (January 1, 2018), p 2.

On a Redetermination (DHS-1010) received by the Department on October 21, 2016, Respondent acknowledged his duties and responsibilities including his duty to report his history of drug-related felony convictions. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent acknowledged under penalties of perjury that his October 21, 2016, redetermination form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Respondent reported to the Department on his October 21, 2016, Redetermination form that he had not been convicted of any drug-related felonies.

Respondent failed to report to the Department that he had pled guilty on [REDACTED], to Possession of a Controlled Substance Under 25 Grams, and that he had pled guilty on [REDACTED], to Possession of a Controlled Substance Under 25 Grams. If the Department was aware that Respondent had more than one drug-related felony conviction after August 22, 1996, then he would have been permanently disqualified from FAP.

Respondent received FAP benefits totaling \$ [REDACTED] from November 1, 2016, through June 30, 2017. Respondent would not have been eligible for any of those benefits if he had been permanently disqualified from FAP. Therefore, Respondent received a \$ [REDACTED] overissuance of FAP benefits.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6).

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be

uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

Respondent acknowledged his duties and responsibilities on a Redetermination (DHS-1010) form received by the Department on October 21, 2016. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Respondent acknowledged under penalties of perjury that his October 21, 2016, Redetermination form was examined by or read to him, and, to the best of his knowledge, contained facts that were true and complete. Respondent falsely reported to the Department that he had not been convicted of any drug-related felonies.

Respondent was convicted of more than one drug-related felony after August 22, 1996 and would have been permanently disqualified from FAP if he had truthfully reported his circumstances to the Department.

Respondent reported to the Department on October 21, 2016, that he was disabled and that his memory was impaired. Respondent offered the opinion of a treating physician that he is medically disabled.

The record evidence indicates that Respondent's memory was sufficient to give the Department sufficient information to approve him for continuing FAP benefits. The record evidence does not establish how Respondent's memory and mental abilities were only insufficient when it came to remember that he had just pled guilty to a second felony drug charge 80 day(s) before making his statement to the Department that he had no drug-related convictions. Respondent failed to establish that he had an apparent physical or mental impairment that limited his understanding or ability to fulfill his duties and responsibilities associated with receiving FAP benefits.

This Administrative Law Judge finds that the Department has presented clear and convincing evidence that the Respondent intentionally failed to disclose having more than one drug-related felony conviction after August 22, 1996, for the purposes of maintaining his eligibility for FAP benefits that he would not have been eligible for otherwise.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV violation.

The Department has established an Intentional Program Violation (IPV).

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
