HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on March 5, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for Food Assistance (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on August 2, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to timely report changes in address and residence that would effect eligibility for assistances.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2017 through June 30, 2017 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), p. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV concerning his FAP benefits because he intentionally failed to update his residency with the Department in order to receive FAP benefits from the State of Michigan. To be eligible for FAP benefits issued by the Department, a person must be a Michigan resident. BEM 220 (January 2016), p. 1. For FAP purposes, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if he has no intent to remain in the state permanently or indefinitely. BEM 220, p. 1. A client who resides outside the State of Michigan for more than thirty days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (October 2015), p. 3.

The Department provided Respondent's initial application for FAP benefits dated July 6, 2016 with a Michigan address. Beginning December 9, 2016, Respondent began exclusive use of his FAP benefits in the State of Florida. Respondent's use of his FAP benefits continued through June 18, 2017. Despite Respondent's use of FAP benefits in Florida beginning approximately six months after his application, Respondent never made any affirmative statements to the Department regarding his residency, nor was any proof presented that he intentionally misrepresented his where he was residing or that he failed to report the change in his residency on a redetermination. Based upon the circumstances presented, the fact that Respondent failed to report his out-of-state move does not establish by clear and convincing evidence that he **intentionally** misrepresented or withheld information concerning his residency for the purpose of maintaining FAP eligibility in the State of Michigan.

Under these circumstances, the Department has failed to establish that Respondent committed an IPV concerning his FAP case.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

As discussed above, the Department has failed to establish by clear and convincing evidence that Respondent committed an IPV. Therefore, Respondent is **not** subject to a disqualification from her receipt of FAP benefits on the basis of IPV.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged a \$970.00 overissuance for the period February 1, 2017 through June 30, 2017 based on Respondent's lack of Michigan residency. As discussed above, a client must be a Michigan resident to be eligible for Michigan-issued FAP benefits. BEM 220, p. 1. The FAP transaction history showing that Respondent was using his FAP benefits exclusively in Florida beginning December 9, 2016 is sufficient to establish that Respondent was not residing in Michigan during the fraud period and had resided outside Michigan for more than 30 days. BEM 212, p. 3.

In consideration of out-of-state use that began December 9, 2016, the Department properly began the OI period on February 1, 2017. BAM 720, p. 7. The benefit summary inquiry presented by the Department showed that from February 1, 2017 through June 30, 2017, Respondent received [REDACTED] in FAP benefits (Exhibit A, p. 50). Respondent was the only member of her FAP group. Since Respondent was not living in Michigan during the fraud period, he was not eligible for any of the FAP benefits issued to him during this period.

Thus, the Department is entitled to recoup and/or collect [REDACTED] from Respondent for overissued FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits for the amount of [REDACTED] from the following program(s) Food Assistance.

The Department is ORDERED to initiate recoupment/collection procedures for [REDACTED] in accordance with Department policy.
