HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on March 22, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on August 31, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent and Respondent's son were recipients of FAP and MA benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in residency to the Department within 10 days.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period for FAP benefits is May 1, 2017 through June 30, 2017 (FAP fraud period) and May 1, 2017 through July 31, 2017 for MA benefits (MA fraud period).
7. During the FAP fraud period, Respondent was issued ██████ in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to ██████ in such benefits during this time period.
8. During the MA fraud period, the Department contributed ██████████ in funds to provide Respondent's MA benefits, and the Department alleges that Respondent was entitled to ██████ in such benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP benefits in the amount of ██████ and MA benefits in the amount of ██████████.
10. This was Respondent's first alleged IPV.
11. A notice of hearing was mailed to Respondent at the last known address and was not returned by the United States Postal Services as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP

pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2016), pp. 12-13;

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of his FAP and MA benefits because he failed to notify the Department that he and his son no longer resided in Michigan but continued to receive and use Michigan-issued FAP and MA benefits while out of state. To be eligible for FAP and MA benefits issued by the Department, an individual must be a Michigan resident. BEM 220 (January 2016), p. 1. For FAP purposes, a person is considered a resident while living in Michigan for purpose other than a vacation, even if he has no intent to remain in the State permanently or indefinitely. BEM 220, p. 1. For MA purposes, a Michigan resident is an individual who is living in Michigan except for a temporary absence. BEM 220, p. 2. Residency continues for an individual who is temporarily absent from Michigan or intends to return to Michigan when the purpose of the absence has been accomplished. BEM 220, p. 2. A client who resides outside the State of Michigan for more than 30 days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (January 2016), p. 3.

The Department provided Respondent's usage history which demonstrated that Respondent used his Michigan issued FAP benefits exclusively in [REDACTED] beginning February 2017 and continuing throughout the fraud period. The Department also presented a copy of Respondent's [REDACTED] Driver's License which was issued on March 9, 2017. Additionally, the Department presented a copy of a lease agreement that was signed on April 11, 2017, which included Respondent and his son as tenants of an apartment located in [REDACTED].

The Department presented applications submitted by Respondent on September 30, 2016 and October 11, 2016, in which he acknowledged his responsibility to report changes within 10 days. The applications were completed prior to the beginning of the fraud period. As such, the Department did not provide any evidence that Respondent

reapplied for FAP benefits or that he affirmatively communicated false information to the Department. It is therefore found, that the Department has failed to establish that Respondent intentionally withheld or misrepresented information for the purpose of maintaining FAP benefits.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720 (October 2015), p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16.

A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16. In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is not subject to a 12-month disqualification under the FAP program.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

FAP OI

The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8.

In support of its contention that Respondent was overissued FAP benefits, the Department presented Respondent's FAP transaction history showing that he used her FAP benefits issued by the State of Michigan almost exclusively in ██████ throughout the fraud period. Based on all of the evidence presented, it is clear Respondent relocated to the State of ██████ in February 2017. As discussed above, Respondent was no longer eligible for FAP benefits after she resided outside Michigan for more than 30 days. By May 1, 2017 it was clear that Respondent had been residing outside the State of Michigan for more than 30 days. See BEM 212, p 2. Therefore, the Department has established it is entitled to recoup the ██████ in FAP benefits it issued to Respondent during the fraud period.

MA OI

The Department also alleges a MA overissuance during the MA fraud period due to client error. The Department's right to seek an MA OI is only available if the OI is due to client error or IPV, not when due to agency error. BAM 710 (October 2015 and October

2016), p. 1. A client error OI occurs when the client received more benefits than entitled to because the client gave incorrect or incomplete information to the Department. BAM 700, p. 5. A change in a client's MA case due to a change in residency requires timely notice. See BAM 220 (April 2016 and April 2017), pp. 3-6. Because the alleged MA overissuance was due to Respondent's failure to timely report his change in residency, the MA OI resulted from client error. Therefore, the Department could seek a recoupment of a MA overissuance based on client error if an overissuance is established.

For a MA OI due to any reason other than unreported income or a change affecting the need allowances, the MA OI amount is the amount of the MA payments. BAM 710, p. 2. In this case, the Department presented an expenditure summary showing the total MA payments made by the Department on Respondent and his son's behalf during the MA fraud period. The sum of these expenses is [REDACTED]. Therefore, the Department is entitled to recoup and/or collect from Respondent a MA OI of [REDACTED] during the MA fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV concerning FAP or MA.
2. Respondent did receive an OI of FAP program benefits in the amount of [REDACTED] during the FAP fraud period.
3. The Department has established an OI of MA program benefits of [REDACTED] during the MA fraud period.

The Department is ORDERED to do the following in accordance with Department policy:

1. initiate recoupment and/or collection procedures for the FAP OI amount of [REDACTED], less any amounts that have already been recouped and/or collected; and
2. initiate recoupment and/or collection procedures for the MA OI amount of [REDACTED], less any amounts that have already been recouped and/or collected.
