HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, 42 CFR 431.230(b), and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on March 28, 2018, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). The Respondent was self-represented.

ISSUES

1. Did Respondent receive an overissuance (OI) of the Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for the FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 1, 2017, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to truthfully and accurately answer all questions on the Applications for benefits.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time periods it is considering the fraud period are October 2011 through April 2012 and October 2015 through July 2016 (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the United States Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500.00 or more, or
 - the total amount is less than \$500.00, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp. 5, 12-13; ASM 165 (August 2016).

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (October 2016), pp. 7-8; BAM 720, p.1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of the FAP because he misrepresented his circumstances by failing to disclose that he had two or more drug-related felony convictions each occurring after August 22, 1996. Clients must completely and truthfully answer all questions on forms and in interviews. BAM 105 (January 2011), p. 5. People convicted of certain crimes and probation or parole violators are not eligible for assistance. BEM 203 (January 2009), p. 1. Effective October 1, 2011, an individual convicted of a felony for the use, possession, or distribution of controlled substances will be permanently disqualified from receipt of FAP if (i) the terms of probation or parole are violated, and the qualifying conviction occurred after August 22, 1996, or (ii) the individual was convicted two or more times and both offenses occurred after August 22, 1996. BEM 203, p. 2. The offense must be classified as a felony by the law of the State and have as an element the possession, use or distribution (which is defined as actual, constructive, or attempted delivery) of a controlled substance. 21 USC 862a(a); 21 USC 802(8) and (11). The disqualification does not apply if the conviction is for conduct occurring on or before August 22, 1996. 21 USC 862a(d)(2).

The Department presented documentation including two sets of documents supporting its assertion that Respondent has two felony drug convictions.

In the first set of documents from the Court of Common Pleas, ██████████, Respondent was found guilty of possession of drugs on October 7, 2004. (Exhibit A; Exhibit B pp. 31-33). In reviewing the statute, and the court documents, it is unclear whether the conviction is for a misdemeanor or felony of the 4th degree. The documents do not provide information about the type of substance involved, the amount, or other details which might make the type of conviction clearer. However, the Respondent admitted to this felony conviction from Ohio. He believed that the felony would be expunged after five years if he met certain requirements. Again, the records provided for the hearing are not clear whether Respondent's understanding is accurate.

The second set of documents is from the 46th Circuit Court of ██████████ which show that Respondent pled guilty to Controlled Substance-possession of a non-narcotic on November 5, 2009. The cited statutory grounds for this conviction in the documents presented establishes that Respondent was convicted of a drug-related felony.

Based upon Respondent's statements and the conviction from 46th Circuit Court, Respondent had two felony drug convictions after August 22, 1996.

In support of its contention that Respondent committed an IPV, the Department presented three Applications for benefits signed and submitted by the Respondent on April 12, 2011; March 21, 2012; and October 6, 2015, on which the questions of whether Respondent had any drug-related felony convictions was answered no. Respondent testified that he is unable to read and had a family member help him fill out the forms. At the time his family member filled out the forms, the family member did not review the forms with him or ask him any questions as it related to the forms. When he

signed the one hand-written copy of the application (two of the applications were electronic and had electronic signatures), he believed he was signing the form simply to receive benefits and did not understand the greater implications of the form or its contents.

After a review of all of the evidence, the Department has not met its burden of proof by clear and convincing evidence that Respondent committed an IPV of the FAP. Respondent credibly testified that he is unable to read and did not understand what he was signing. Therefore, Respondent has not committed an IPV.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for 10 years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV. Therefore, Respondent is **not** subject to a period of disqualification from the FAP.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of a FAP OI is the benefit amount the client actually received minus the amount the client was eligible to receive. BAM 720, p. 8; BAM 715 (January 2016), p. 6; BAM 705 (January 2016), p. 6.

In this case, the Department alleged that Respondent was issued FAP benefits in the amount of \$ [REDACTED] from October 2011 through April 2012 and October 2015 through July 2016, and that due to his drug-related felony convictions, he was ineligible for any FAP benefits during these periods. A review of the Respondent's Benefit Summary Inquiry presented by the Department supports benefits issued in the amount alleged. (Exhibit A, pp. 76-78). As discussed above, Respondent was ineligible for FAP benefits as he was subject to a permanent disqualification from the FAP. The Department is entitled to recoup \$ [REDACTED] from Respondent, which is the difference between the amount of FAP benefits actually issued to him and the amount he was eligible to receive during the fraud period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has not** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **received** an OI of program benefits in the amount of \$ [REDACTED] from the FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent **is not subject** to a period of disqualification from the FAP due to an IPV.
