ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on March 6, 2018, from [REDACTED] Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On an application for assistance dated [REDACTED], Respondent acknowledged her duties and responsibilities including the duty to use FAP

benefits in a manner consistent with the Food and Nutrition Act of 2008. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. Exhibit A, pp 12-37.

2. Respondent was a FAP recipient from [REDACTED], through [REDACTED]. Exhibit A, 40-50.
3. Respondent's used FAP benefits at two businesses known to engage in benefit trafficking. Exhibit A, pp 103-127.
4. The average purchase involving FAP benefits at [REDACTED] was for \$[REDACTED]. Exhibit A, p 162-163.
5. The average purchase involving FAP benefits at [REDACTED] was for \$[REDACTED]. Exhibit A, p 162-163.
6. Respondent made purchases at these businesses that exceeded the average purchase amount and were inconsistent with the known inventory and point of sale equipment of these businesses. Exhibit A, pp 128-161.
7. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent, as a result of Respondent having allegedly committed an IPV. Exhibit A, p 3.
8. On [REDACTED], the Department sent Respondent an Intentional Program Violation Repayment Agreement (DHS-4350) with notice of a \$[REDACTED] overpayment, and a Request for Waiver of Disqualification Hearing (DHS-826). Exhibit A, pp 3.
9. This was Respondent's first established IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Postal Service as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, or
 - the total OI amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 12-13.

Overissuance

When a client group receives benefits than they are entitled to receive, the Department must attempt to recoup the OI. Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (October 1, 2016), p 1.

Evidence that the client had prior knowledge of these requirements is unnecessary to establish an IPV for trafficking. IPV is automatically suspected for a client who is alleged to have trafficked FAP benefits. 7 CFR 273.16, BAM 720.

An IPV is suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

Respondent was a recipient of FAP benefits from [REDACTED], through [REDACTED]. Respondent used her FAP benefits at [REDACTED] and [REDACTED], two businesses known to engage in the trafficking of benefits. The average purchase involving FAP benefits at [REDACTED] was for \$ [REDACTED], and \$ [REDACTED] at [REDACTED]. These businesses fit the description of convenience stores. Respondent's purchases significantly exceeded the average purchase amount for either store. High volume purchases, such as the ones made by

Respondent, were inconsistent with the known inventory of items available for purchase with FAP benefits and the point of sale equipment at those businesses. High value transactions at these convenience stores fit a known pattern of FAP trafficking, which creates an OI in the amount of the benefits trafficked. The amount of FAP benefits that fit known patterns of benefit trafficking were in the amount of \$ [REDACTED].

The Department has the burden of establishing by clear and convincing evidence that Respondent committed an IPV. The clear and convincing evidence standard, which is the most demanding standard applied in civil cases, is established where there is evidence so clear, direct and weighty and convincing that a conclusion can be drawn without hesitancy of the truth of the precise facts in issue. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Id.*

This Administrative Law Judge finds that the Department established by clear and convincing evidence that Respondent intentionally used FAP benefits in a manner other than authorized by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a, and that fits the Department's definition of benefit trafficking in Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (January 1, 2016), pp 1-22.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

The record evidence indicates that this is Respondent's first established IPV.

The Department has established an IPV.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of FAP benefits in the amount of \$ [REDACTED].
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from receiving FAP benefits for a period of 12 months.
